ASSIGNMENT OF PATENTS

This Assignment of Patents ("Assignment") is made effective as of the 1st day of October 2008 by and between Dow Reichhold Specialty Latex LLC, a Delaware limited liability company having an address at 2400 Ellis Road, Suite 100, Durham, North Carolina 27703 ("Assignor"), and Bangkok Synthetics Co., Ltd., a Thailand limited company, having an address at Sathorn City Tower, 22nd Floor, 175 South Sathorn Road, Thung Mahamek, Sathorn, Bangkok, 10120, Thailand ("Assignee").

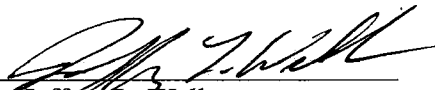

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor assigns, transfers and sets over unto Assignee its entire right, title and interest in and to the patent applications and patents contained in Schedule A attached hereto and any patents which may be issued and/or granted thereon, and including all patents and patent applications arising from all divisions, continuations, reissues and reexamination certificates and extensions thereof, including any actions, claims and demands whatsoever, known or unknown, that Assignor may have had thereunder prior to the date of this Assignment, the same to be held and enjoyed by Assignee for its own use and benefit and for its successors, assigns, and legal representatives, to the full end of the term for which each of said patents are or may hereafter be granted as fully and entirely as the same would have been held by Assignor had this Assignment not been made. This Assignment includes the grant by the Assignor to the Assignee of the right to claim priority for the applications contained in Schedule A under the International Convention for the Protection of Industrial Property and under any other international agreement to which the United States of America is or hereafter becomes a signatory.

Assignor hereby authorizes the division of the information provided in Schedule A by the Assignee in order to facilitate the conveyance, transfer and assignment, consolidation, vesting and recording in Assignee, full ownership of the patent applications and patents contained in Schedule A attached hereto. Assignor shall duly execute and deliver or cause to be executed and delivered all instruments of sale, conveyance, transfer and assignment, and notices, releases, acquittances and other documents and perform such further acts, as may be necessary to convey, transfer, assign and deliver to, and consolidate, vest and record in Assignee, full ownership of the patents and other rights conveyed herewith.

IN WITNESS WHEREOF, Assignor and Assignee have caused this Assignment to be executed by their respective duly authorized officers effective as of the date first above written.
