WHEREAS, Dynamics Inc., a corporation organized and existing under the laws of the State of Delaware and having an office and place of business at 731 South Negley Ave., Apt. 2, Pittsburgh, PA 15232, is desirous of

acquiring the entire interest in said invention and said United States patent application(s);

NOW, THEREFORE, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I do hereby sell, assign and transfer unto the said Dynamics Inc., its successors, assigns and legal representatives, all right, title and interest in and to said invention and any improvements thereon for all countries of the world, and in and to each said patent application(s), including any continuations and divisions thereof, and any substitute applications therefor, and any patents which may issue thereon, and any reissues and reexaminations of the same, and including the right to claim priority under the International Convention based on said patent application(s); and all right, title and interest in and to every patent application filed or to be filed on said invention in any other country, including renewals, revivals, continuations and divisions thereof, and any substitute applications therefor, and any and all patents which may issue or have issued thereon, and any reissues and extensions of the same; and I hereby authorize and request competent authorities to grant and issue any and all patents on said invention to the said Dynamics Inc., as the assignee of the entire interest therein; and I further agree to execute upon request of the assignee such additional documents, if any, as are necessary and proper to secure patent protection on said invention throughout

all countries of the world, and to otherwise give full effect to and perfect the rights of the assignee under this Assignment.

IN TESTIMONY WHEREOF, I have hereunto signed my name on the date indicated hereinafter.
