JAPAN AVIATION ELECTRONICS INDUSTRY LIMITED, whose address is 21-2,  
Dogenzaka 1-chome, Shibuya-ku, Tokyo, Japan, hereinafter referred to as ASSIGNEE, is  
desirous of acquiring my entire right, title and interest in and to said application and said  
invention, in and to any and all improvements relating to said invention, and in and to each and  
every Patent thereon, when granted in the United States.

For good and valuable consideration, the receipt of which is acknowledged:

1. I sell, assign, transfer and convey unto ASSIGNEE, my entire right, title and  
interest:

- (a) in and to said invention and application, any and all improvements relating to said  
invention and application, and each and every additional application filed in the  
United States of America, which additional application is a division, substitution,  
continuation or continuation-in-part of, is based on or claims priority of said  
application, or which additional application relates to said invention and  
improvements;
- (b) all priority rights associated with the filing of each and every such application, and
- (c) in and to each and every Patent on said invention and improvements that may be  
granted, including each and every Patent that may be granted on any of the  
applications referred to in sub-section (a), and in and to each and every reissue, re-  
examination or extension of each and every such Patent.

2. I warrant, covenant and represent the fact that I have not heretofore granted any  
license, right or privilege in the United States of America with respect to said invention  
or said application to any other, or in any other way encumbered the same, and that I

have the full right to sell, assign, transfer and convey, free of all licenses and encumbrances, the entire interest hereby assigned.

3. I covenant that, at the request and expense of ASSIGNEE, I will promptly execute all papers necessary or desirable to perfect ownership of said invention, applications and said each and every Patent to ASSIGNEE, and execute all oaths, declarations and other papers necessary or desirable for prosecuting said applications, for use in interference proceedings involving said invention, applications and each and every Patent, for use in opposition proceedings involving said invention, applications and each and every Patent, for refiling said applications, for filing of divisional, substitution, continuation or continuation-in-part applications deemed necessary or desirable by ASSIGNEE, for reissuance or re-examination of said each and every Patent. I further covenant and agree that, at the expense and request of ASSIGNEE, I will promptly assist ASSIGNEE in interference and opposition proceedings involving said invention, applications and each and every Patent, and in litigation involving said invention, applications and each and every Patent, and will assist in the ascertainment of facts and the production of evidence relating to said invention, applications and each and every Patent.

4. The terms, covenants and provisions of this assignment shall inure to the benefit of ASSIGNEE, its successors, assigns and other legal representatives, and shall be binding upon me, my heirs, legal representatives and assigns.
