PATENT - TRADEMARK OFFICE

**ASSIGNMENT OF INVENTION AND  
PATENTS THEREON**

WHEREAS, I, **John A. Copeland, III**, a citizen of the United States of America, residing at 1070 Greenway, Atlanta, GA 30350, have invented a new and improved **NETWORK PORT PROFILING**, as fully disclosed in a patent application so entitled and executed by me preparatory to obtaining Letters Patent of the United States therefor; and,

WHEREAS, **LANCOPE, INC.**, a corporation of the State of Georgia, having a principal place of business at 1070 Greenway, Atlanta, GA 30350, (hereinafter the "Assignee") is desirous of acquiring the entire right, titles and interest in the same.

NOW, THEREFORE, to all whom it may concern, be it known that, for and in consideration of the sum of One Dollar and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I have sold, assigned and transferred, and by assign and transfer unto the said Assignee, its successors and assigns, my entire right, title and interest in and to said invention and in and to said application and all patents which may be granted therefor, and all divisions, reissues, substitutions, continuations, and extensions thereof; and all Letters Patent Domestic and Foreign issued or to be obtained thereon, including all rights and interests with priority rights under 35 U.S.C. §111(b), the Paris Convention for the Protection of Industrial Property, the International Patent Cooperation Treaty, European Patent Convention, Common Market Convention, or any other Convention or Union for each country of said Convention or Union and all divisions, reissues, substitutions, continuations, and extensions thereof; and I do hereby authorize and request the Commissioner of Patents to issue the Letters Patent granted on any application and all future patents granted upon the subject matter disclosed therein to the above named Assignee, its legal representatives and assigns.

Furthermore, I agree to take all necessary and rightful oaths, to execute all proper documents and to do all other things necessary and proper, at the Assignee's expense, to assist the Assignee in securing, obtaining and maintaining patent protection for the invention in the United States of America and in any and all country(ies) throughout the world.

If any provision of this agreement shall be found by a court of competent jurisdiction to be invalid, unlawful, or contrary to public policy, the Assignee and Assignor intend that such provision shall be severed from this agreement and that the remaining terms of this agreement shall be unaffected thereby and shall continue in force and effect.

Assignment of John A Copeland, III  
To LANcope, Inc.
