# ASSIGNMENT OF INVENTION

WHEREAS, I (WE) JAMES G. BUESCHER, CHRISTOPHER D. MAILEY, RYAN M. STENSON, AND DANIEL A. SURA

of

while employed by the Government of the United States of America, herein after referred to as the Government,

have made an invention entitled

SYSTEM FOR WATER-BASED LAUNCH OF AN UNMANNED AERIAL VEHICLE

identified as Navy Case No. 99136 and described in application for Letters Patent of the United

States of America executed by me (us) on December 16, 20 08 ; and

WHEREAS, the conditions under which the invention was made are such as to entitle the Government under Paragraph 1 (a) of Executive Order 10096 to the entire right, title, and interest therein, including foreign rights; and

WHEREAS, the Government desires to obtain the entire right, title and interest in and to the invention disclosed in said application within the United States of America, its territories and possessions and other rights and benefits herein granted; and

WHEREAS, the Government desires an option to obtain the foreign rights in and to the invention;

NOW, THEREFORE, in consideration of the premises and of other good and valuable consideration the receipt of which is hereby acknowledged, I (we) hereby assign and transfer to the United States of America as represented by the Secretary of the Navy the entire right, title, and interest in and to said invention within the United States of America, its territories and possessions, and the entire right, title, and interest in and to said application and any continuation, division or substitution thereof, and such Letters Patent may be granted, as fully and entirely as the same would have been held by me (us) had this assignment not been made.

I (We) do hereby also grant to the Government, the option to take the entire right, title, and interest in and to the invention and all patent applications, patents and other forms of protection thereon in countries foreign to the United States of America within eight months of the filing date of any application for United States Letters Patent covering the invention; such option to be exercised by a written notification to me (us) within such eight months identifying the specific foreign countries in which the Government will file or cause to be filed an application for patent or other form of protection which may issue on the invention in any foreign county, including the power to issue sub-licenses for use in behalf of the Government and/or in furtherance of the foreign policies of the Government.

I (WE) hereby further agree to make, execute, and deliver to the Government any and all papers, documents, affidavits, statements, or other instruments that may be necessary in the prosecution of the application and of any continuation, division, or substitution of the application, or any application for reissue or extension of said Letters Patent, and to assist the Government in every way in protecting the invention as may be requested, provided that any expense arising through such efforts will be paid by the Government.

IN TESTIMONY WHEREOF I (we) have set my (our) hand(s) and affixed my (our) seal(s).
