ASSIGNMENT

Whereas, Richard E. Capstran, a citizen of Wisconsin, residing at 1840 North Prospect Avenue, #516, Milwaukee, Wisconsin 53202 has invented an invention entitled: "Combined Oil Drain And Fill Apparatus For An Engine" for which he has received Letters Patent of the United States of America; and

Whereas, Cappy's Concepts, a limited liability company organized in the State of Wisconsin, residing at 929 North Astor Street, Apt. 1803, Milwaukee, Wisconsin 53202, desires to acquire the entire right, title and interest in and to said Letters Patent, in that Cappy's Concepts has provided the time, equipment and resources in order for said invention to be developed:

Now, therefore, for good and valuable consideration being the payment of patent application costs, payment of patent application fees, payment of one dollar, and the receipt of which is hereby acknowledged, Richard E. Capstran by these presents does sell, assign and transfer unto said Cappy's Concepts, his successors and assigns, all right, title and interest, in the United States of America and all foreign countries, in and to said invention as described in a patent application filed by him on May 26, 2001 concerning subject matter of said invention, and to any improvements on said invention heretofore or hereafter made by him during the pendency of the aforesaid patent application, and any divisions or continuations, which may be filed in the United States of America or foreign, which may be granted on said invention and said improvements to said invention; said Letters Patent having an issue number of 6,508,280 and an issue date of January 21, 2003; Richard E. Capstran hereby authorizes the Commissioner of Patents and Trademarks to issue all Patents on said United States of America applications arising out of said invention and improvements to said invention to said Cappy's Concepts as assignee thereof; and

For said consideration, I, Richard E. Capstran, hereby covenant and agree that I am the owner of the full title herein assigned and have the right to assign the same, and agree that I will communicate to said Cappy's Concepts or its representatives any facts known to us respecting said invention and testify in any legal proceedings relating thereto when called upon, and will sign all instruments and documents and render such assistance which, in the judgment of Cappy's Concepts, is necessary to vest and protect the legal title sought to be assigned to it.
