ASSIGNMENT

WHEREAS, we, **George S. Perkins**, a citizen of the United Kingdom, residing at 11 West 11th Street, Loft 7, Columbus, Georgia 31901; and **Richard E. Sway**, a citizen of the United States of America, residing at 737 Rudgate Road, Columbus, Georgia 31904, have invented certain inventions and improvements disclosed in an application for Letters Patent entitled “**System And Method For Encrypting Interactive Voice Response Application Information**,” filed in the United States Patent and Trademark Office on June 25, 2007 and assigned U.S. Patent Application No. 11/821,693; and

WHEREAS, **Total System Services, Inc.**, a corporation of the State of Georgia, having a principal place of business at 1600 First Avenue, Columbus, Georgia 31901, is desirous of acquiring an interest in the same.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which we hereby acknowledge, we, **George S. Perkins and Richard E. Sway**, by these presents, do sell, assign, and transfer to **Total System Services, Inc.** the full, exclusive, and entire right, title, and interest in and to said application, in and to any divisions, continuations, reexaminations, and reissues thereof, and in and to all inventions and improvements disclosed and described in said application, preparatory to obtaining Letters Patent of the United States therefor; and we hereby request the Director of the U.S. Patent and Trademark Office to issue any and all Letters Patent of the United States resulting from said application, or from a division, continuation, reexamination, or reissue thereof, to **Total System Services, Inc.** as the assignee, for its interest and for the sole use and benefit of **Total System Services, Inc.** and its assigns and legal representatives;

For the same consideration, we, by these presents, do sell, assign, and transfer to **Total System Services, Inc.** the full, exclusive, and entire right, title, and interest in and to any foreign application or applications corresponding to said application, in whole or in part, in countries other than the United States, in and to any Letters Patent and similar protective rights

granted on said foreign applications, and in and to the right to claim any applicable priority rights arising from or required for said foreign applications under the terms of any applicable conventions, treaties, statutes, or regulations; said foreign applications to be filed and issued in the name of **Total System Services, Inc.** or its designee insofar as permitted by applicable law;

AND, for the same consideration, we agree to sign all lawful papers, execute all division, continuing, reexamination, reissue, and other applications, make all assignments and rightful oaths, and generally do everything possible to aid **Total System Services, Inc.**, its successors, assigns, and nominees to obtain and enforce proper protection for all said inventions and improvements in all countries throughout the world.
