ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, the undersigned, Robert A. Gilchrist do hereby sell, assign, and transfer to: Duraco, Inc., a corporation of Michigan, having a place of business at 1218 East Pontakuna Road, Suite B, Spring Lake, Michigan 49465, U.S.A. ("Assignee"), its successors, assigns, and legal representatives, the entire right, title and interest for the United States and all foreign countries, in and to any and all inventions and improvements which are disclosed in the application for United States Letters Patent which was filed on August 30, 2006 and assigned Serial No. 11/513,482, and is entitled:

## PATCHER SYSTEM AND ASSOCIATED METHODS

and in and to any and all inventions and improvements which are disclosed in the provisional application for United States Letters Patent which was filed on August 7, 2006 and assigned Serial No. 60/836,842, and is entitled:

## PATCHER SYSTEM AND ASSOCIATED METHODS

and in and to said applications and all non-provisional, divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said inventions and improvements; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said inventions and improvements; and in and to all rights of priority resulting from the filing of said United States applications; and

Agree that said Assignee may apply for and receive Letters Patent for said inventions and improvements in its own name; and that, when requested, without charge to, but at the expense of, said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this Assignment, the undersigned will execute all non-provisional, divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said inventions and improvements; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns, and representatives, all facts known to the undersigned relating to said inventions and improvements and the history thereof; and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said inventions and improvements and for vesting title to said inventions and improvements and all applications to patents and all patents on said inventions and improvements, in said Assignee, its successors, assigns and legal representatives; and

Covenant, with said Assignee, its successors, assigns and legal representatives that no assignment, grant mortgage, license, or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
