ASSIGNMENT

WHEREAS I, the below named inventor (hereinafter referred to as Assignor), have made an invention entitled:

WALL EDGE VORTEX SUPPRESSOR

for which I filed a provisional application for United States Letters Patent on December 15, 2004 (Application No. 60/636,083) and a non-provisional application for United States Letters Patent on November 26, 2005 (Application No. 11/286,855); and

WHEREAS, RenScience IP Holdings Inc., a corporation of Delaware whose post office address is 3200 Atlantic Avenue, Suite 114, Raleigh, NC 27604 (hereinafter referred to as Assignee), is desirous of securing the entire right, title, and interest in and to this invention in all countries throughout the world, and in and to the provisional and non-provisional applications for United States Letters Patent on this invention and the Letters Patent to be issued from the non-provisional application;

NOW THEREFORE, be it known that, for good and valuable consideration the receipt of which from Assignee is hereby acknowledged, I, as Assignor, have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, my entire right, title, and interest in and to this invention, U.S. provisional Application No. 60/636,083, U.S. non-provisional Application No. 11/286,855, and all divisions, and continuations thereof, and all Letters Patent of the United States granted thereon, and all reissue applications and reissues thereof, and all rights to claim priority on the basis of U.S. provisional Application No. 60/636,083, as well as all rights to claim priority on the basis of U.S. non-provisional Application No. 11/286,855, and all applications for Letters Patent which may hereafter be filed for this invention in any foreign country and all Letters Patent which may be granted on this invention in any foreign country, and all extensions, renewals, and reissues thereof; and I hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for this invention to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, I HEREBY covenant that I have the full right to convey the interest assigned by this Assignment, and I have not executed and will not execute any agreement in conflict with this Assignment;

AND, I HEREBY further covenant and agree that I will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to me respecting this invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to this invention in said Assignee, its successors or assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for this invention in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by the Assignee, its successors and assigns.

IN TESTIMONY WHEREOF, I have hereunto set my hand.
