PATENT
REEL: 022047 FRAME: 0242

LICENSE TO THE UNITED STATES GOVERNMENT

WHEREAS, Howard Green and Yann Barrandon of Brookline, Massachusetts and Boston, Massachusetts, respectively, have invented "Human Epithelium Originating from Cell Cultures" and filed a patent application thereon in the United States bearing Serial Number 064,046 and filing date June 19, 1987; and

WHEREAS, the invention was made in the course of research supported by the Department of Health and Human Services; and

WHEREAS, the United States Government is entitled to certain rights in and to said invention and application by reason of the terms of such support; and

WHEREAS, the President and Fellows of Harvard College, hereinafter called the "Licensor", has acquired by assignment from the inventors the entire right, title, and interest of the inventors to such invention;

NOW, THEREFORE

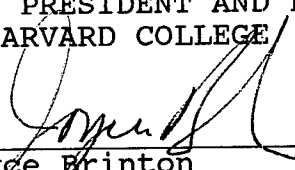

1. The Licensor, in consideration of the premises and other good and valuable consideration, hereby grants and conveys to the United States Government a royalty-free, nonexclusive and irrevocable license for governmental purposes and on behalf of any foreign government pursuant to any existing or future treaty or agreement with the United States under the aforesaid patent application, and any and all divisions or continuations, and in any and all patents or reissues which may be granted thereon during the full term or terms thereof. As used herein, "governmental purposes" means the right of the Government of the United States, including any agency thereof, to practice and have practiced (make or have made, use or have used, sell or have sold) in connection with the programs funded in whole or in part by the Federal Government throughout the world by or on behalf of the Government of the United States.

2. The Licensor covenants and warrants that he has the right to grant the foregoing license, and that any assignment which

he may make of the invention or the said patent applications or patents thereon, shall expressly be made subject to this license.

3. The Licensor agrees that the Government shall not be estopped at any time to contest the enforceability, validity, scope of or title to, any patent or patent application herein licensed.

THE PRESIDENT AND FELLOWS OF
HARVARD COLLEGE

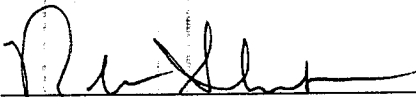

Joyce Brinton
Director, Office for Patents,
Copyrights & Licensing
