ASSIGNMENT AGREEMENT

WHEREAS Celebrity Lighting, LLC, a Nevada limited liability company, whose post office address is 4520 South Pecos Road, Suite #2, Las Vegas, Nevada 89121 (hereinafter referred to as "Assignor"), previously acquired, by assignment, the entire right, title, and interest in and to an invention directed to a:

BACKLIT MIRROR ASSEMBLY

for which an application(s) for United States Letters Patent was filed on or about April 11, 2008, this application(s), and all divisions, and continuations thereof, and all Letters Patent of the United States which may be granted thereon, and all reissues thereof, and all rights to claim priority on the basis of this application(s), and all applications for Letters Patent which may hereafter be filed for this invention in any foreign country and all Letters Patent which may be granted on this invention in any foreign country, and all extensions, renewals, and reissues thereof;

WHEREAS, Cornerstone Lighting, LLC, a NEVADA limited liability company, whose post office address is (see below) (hereinafter referred to as "Assignor"), is desirous of securing the entire right, title, and interest in and to this invention in all countries throughout the world, and in and to the application(s) for United States Letters Patent on this invention and the Letters Patent to be issued upon this application(s);

NOW THEREFORE, be it known that, for good and valuable consideration, the receipt of which from Assignee is hereby acknowledged, Assignor has sold, assigned, transferred, and set over, and does hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, its entire right, title, and interest in and to this invention, and this application(s), and all divisions, and continuations thereof, and all Letters Patent of the United States which may be granted thereon, and all reissues thereof, and all rights to claim priority on the basis of this application(s), and all applications for Letters Patent which may hereafter be filed for this invention in any foreign country and all Letters Patent which may be granted on this invention in any foreign country, and all extensions, renewals, and reissues thereof; and it hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for this invention to Assignee, its successors and assigns, in accordance with the terms of this Assignment Agreement;

AND, ASSIGNOR HEREBY covenants that it has the full right to convey the interest assigned by this Assignment Agreement, and it has not executed and will not execute any agreement in conflict with this Assignment Agreement;

AND, ASSIGNOR HEREBY further covenants and agrees that it will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to Assignor respecting this invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to this invention in said Assignee, its successors or assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths, and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for this invention in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by the Assignee, its successors and assigns.

IN TESTIMONY WHEREOF, Assignor has hereunto set its hands as of the date set forth below.
