(for multiple inventors)

WHEREAS, James J. Connerley and Marty D. Retter, hereinafter referred to as "Assignors", have made a new and useful invention described in the United States patent application entitled BACKBOARD REPLACEMENT SYSTEM for which Assignors have made or will make application for Letters Patent of the United States; and

WHEREAS, Gared Holdings, LLC., hereinafter referred to as "Assignee", a Limited Liability Company of Missouri, having a principal place of business at 9200 E. 146th Street, Suite A, Noblesville, IN 46060, desires to acquire all of the entire right, title, and interest in, to and under said invention disclosed, described and claimed or intended so to be in said application, and in, to and under said application, and in, to and under any and all Letters Patent, United States and foreign, which may be obtained therefor and thereon;

NOW, THEREFORE, to all whom it may concern, be it known that for and in consideration of the sum of One Dollar (\$1.00) and other good, valuable and sufficient consideration to Assignors in hand paid, the receipt of which is hereby acknowledged, Assignors have sold, assigned and transferred, and by these presents do sell, assign and transfer unto Assignee, all of the entire right, title, and interest in, to and under said invention disclosed, described and claimed or intended so to be in said application, and in, to and under said application, including any and all priority rights claimed therein, and any and all other applications thereon and arising therefrom, including any and all divisions and continuations thereof, and any and all patents to be issued and obtained therefor and thereon, United States and foreign, including all reissues and extensions thereof.
