Exhibit A

Patent Assignment

THIS AGREEMENT is dated as of November 21, 2008.

WHEREAS, Quadion Corporation, a corporation organized under the laws of Minnesota ("Assignor"), having its office at 1100 Xenium Road, Minneapolis, MN 55441, is the owner of 50% of the right, title and interest in and to those certain patents and patent applications listed on Schedule A attached hereto and make a part hereof (the "Patents"); and

WHEREAS, General Hospital Supply Corporation, a corporation organized under the laws of North Carolina ("Assignee"), having its office at 2844 Gray Fox Road Monroe, NC 28110, (i) the owner of the other 50% of the right, title and interest in and to the Patents and (ii) is desirous of acquiring the entire right, title, and interest in and to said Patents currently owned by Assignor;

NOW, THEREFORE, NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby sells, assigns and transfers to Assignee, its successors and assigns, absolutely and forever, its entire right, title and interest in and to the Patents throughout the world and the inventions and designs covered thereby, including the right to claim priority and the right to any continuation, division, or substitute application thereof and the right to any reissue, restoration, extension or reexamination of any patent thereof, the same to be held and enjoyed by Assignee for its own use and enjoyment, and for the use and enjoyment of its successors, assigns and legal representatives, to the end of the term for which the Patents have been or will be granted, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment had not been made; together with all claims by Assignor for damages by reason of past infringement of the Patents with the right to sue for, and collect the same for its own use and benefit, and for the use and benefit of its successors, assigns and other legal representatives.

Assignor further agrees to execute any and all documents necessary or desirable to properly vest full right, title and interest in and to the Patents throughout the world in the name of Assignee, its successors and assigns or which may be necessary to obtain, maintain, issue or enforce said Patents, solely at the cost of Assignee.

Assignor also hereby grants the law firm of Edwards Angell Palmer & Dodge LLP, the power to insert on this Agreement any further identification that may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.

This Agreement may be executed in several counterparts, each of which shall be deemed an original, but all of which together will constitute one and the same instrument.
