PATENT ASSIGNMENT

1. WHEREAS, Minute Guard, L.L.C., a limited liability company duly organized and existing under and by virtue of the laws of the State of Missouri with its principal address at 34 Balcon Estates, Creve Coeur, MO 63141 (hereinafter referred to as Assignor), is the owner of the entire right, title, and interest in and to certain patents and patent applications of the United States and other countries and the inventions disclosed therein; and

2. WHEREAS, Syncpointe, LLC, a limited liability company duly organized and existing under and by virtue of the laws of the State of Missouri with its principal address at 1005 Club Village Drive, Columbia, MO 65203 (hereinafter referred to as Assignee), is desirous of acquiring said right, title, and interest of Assignor;

3. NOW, THEREFORE, in consideration of the sum of ten dollars (\$10.00) and other good and valuable consideration by Assignee to Assignor in hand paid, receipt of all of which is hereby acknowledged, Assignor has agreed to and does hereby sell, assign and transfer unto Assignee, its successors and assigns, all of Assignors right, title and interest in and throughout the world, in and to said patents and patent applications and all reissues thereof and reexamination certificates therefore, and the inventions disclosed therein, including Assignors full right to sue for and recover all damages recoverable from past infringements of said patents and patent applications; including specifically, without limiting the generality of the foregoing, the United States patents and patent applications listed below; and Assignor has further agreed to and does hereby sell, assign and transfer unto Assignee, its successors and assigns, all of Assignors right, title and interest in and throughout the world, in and to said inventions, any other applications (including provisional, non provisional, divisional, continuing, continuing-in-part, or reissue application) based in whole or in part on said inventions, and any and all patents (including extensions thereof) and patent applications of any country which have been or may be granted on any of the aforesaid applications or on said inventions or any part thereof; including, specifically, without limiting the generality of the foregoing, the patents and patent applications listed below.

4. TO BE HELD AND ENJOYED BY Assignee, its successors and assigns, to the full ends of the respective terms for which said patents have been or may be granted, as fully and entirely as the same would have been held and enjoyed by Assignor had this sale and assignment not been made.

5. AND Assignor hereby agrees to execute without further consideration any further lawful documents and any further assurances, and any provisional, nonprovisional, divisional, continuing, continuing-in-part, reissue application or other applications for patents of any country, that may be deemed necessary by said Assignee, its successors or assigns, fully to secure its interest as aforesaid in and to said inventions or any part thereof, and in and to said several patents and patent applications or any of them.

6. AND Assignor covenants that Assignor has granted no right or license to make, use or sell said inventions to anyone except Assignee, that prior to the execution of this deed, Assignors right, title, and interest in said inventions has not been otherwise encumbered, and that Assignor has not executed and will not execute any instrument in conflict herewith.

7. THE U.S. PATENTS/APPLICATIONS ARE AS FOLLOWS:

Issued U.S. Utility Patents

Patent No.: 7,167,699
Title: Method For Tracking Wireless Telephone Minutes Use and Providing an Alert
Issue Date: January 23, 2007

Pending U.S. Utility Applications

Serial No.: 11/625,632
Title: Method For Tracking Metered Communications Usage Activity and Providing a Notification
Filing Date: January 22, 2007

8. IN WITNESS WHEREOF, Assignor has caused these presents to be executed by its officer thereunto duly authorized this 10 day of November, 2008.
