ASSIGNMENT

WHEREAS, Scana AMT AS, a corporation organized and existing under and by virtue of the laws of Norway, having an office at Postboks 32, NO-1541 Vestby, Norway, is the co-owner by previous assignment, dated May 14, 2007, of the entire undivided right, title and interest of Bjarne Olsen, Peter Grinde, Tron Dahl and Ola Often, in and to an invention for new and useful improvements in or relating to a DEVICE FOR LOADING AND/OR UNLOADING FLOWABLE MEDIA for which an application for Letters Patent in the United States was executed on March 15, 2007, March 19, 2008, March 14, 2007 and March 22, 2007, respectively, and assigned Application Number 11/705,771;

WHEREAS, Scana Offshore Vestby AS, a corporation organized and existing under and by virtue of the laws of Norway, having an office at Postboks 24, NO-1541 Vestby, Norway, is desirous of acquiring the entire right, title and interest in and to the said application and the invention therein described and claimed and any Letters Patent that may be issued upon said application or for the improvements therein contained;

NOW THEREFORE, for and in consideration of the sum of Ten Dollars (\$10.00) lawful money of the United States and other valuable considerations, to me in hand paid, the receipt of and sufficiency whereof are hereby acknowledged, the said Scana AMT AS, has sold, assigned and transferred and does hereby sell, assign and transfer unto the said Scana Offshore Vestby AS, its successors and assigns, its entire undivided right, title and interest in and to the said application and the invention therein contained, including all rights of action and damages for past infringement, and including the right to apply for any Letters Patent in the United States of America and in all foreign countries on said invention and including the right to claim the priority of the date of filing in the United States and any Letters Patent that may issue thereon, or therefor, in the United States and foreign countries and all reissues, extensions, renewals, divisions and continuations thereof, to the full end of the term or terms for which said Letters Patent may be issued, to be held and enjoyed by the said Scana Offshore Vestby AS, its

successors and assigns the same as it would have been held and enjoyed by Scana AMT AS, if this assignment and sale had not been made.

AND, Scana AMT AS, hereby authorizes and requests the Commissioner of Patents and Trademarks to issue all such Letters Patents to the said Scana Offshore Vestby AS, in accordance with this instrument of assignment.

Scana AMT AS, hereby represents and warrants that there are no rights or interests outstanding inconsistent with the rights and interests granted herein and that Scana AMT AS, will not execute any instrument or grant or transfer any rights or interests inconsistent therewith, and Scana AMT AS, binds itself and its heirs, executors, administrators, employees and legal representatives, as the case may be, to execute and deliver to the said Scana Offshore Vestby AS, its successors and assigns, any further documents or instruments and do any and all further acts that may be deemed necessary by the said Scana Offshore Vestby AS, its successors and assigns to file applications for the said improvements and invention in any country where it may elect to file such applications, and that may be necessary to vest in the said Scana Offshore Vestby AS, its successors and assigns, the title herein conveyed, or intended so to be, and to enable such title to be recorded in the United States and foreign countries where such application or applications may be filed.

AND, Scana AMT AS, further covenants and agrees, in consideration of the premises, that it, its executors and administrators will, at any time upon request, communicate to the said Scana Offshore Vestby AS, its successors and assigns, any facts relating to the said invention and improvements and the history thereof, known to it or its successors and assigns, and that it will testify as to the same in any interference or other proceeding when requested to do so by the said Scana Offshore Vestby AS, its successors and assigns.

The undersigned hereby grants the law firm of Birch, Stewart, Kolasch & Birch, LLP the power to insert on this Assignment any further identification that may be necessary or desirable in order to comply with the rules of the U.S. Patent and Trademark Office for recordation of this document.

IN TESTIMONY WHEREOF, Scana AMT AS, has hereunto set its seal this 15 day of des.  
, 2008 (year).

Scana AMT AS,
