## ASSIGNMENT

In consideration of good and valuable considerations, the receipt of which is hereby acknowledged, the undersigned,

MR. BI-CHIH LIAO

residing at:

#83, LANE 25, TONG-THE 7<sup>TH</sup> STREET, TAOYUAN CITY, TAOYUAN HSIEN, TAIWAN

and

MR. RUDY A. VANDENBELT

residing at:

308 BILLINGS AVENUE, OTTAWA, ONTARIO K1H 5L3, CANADA

hereby sell, assign and transfer to HEADWATERS R&D, INC, a national corporation of Canada having a place of business at 169 Ethel St, Ottawa, Ontario Canada K1L 5X3, their successors, assigns and legal representatives, the entire right, title and interest for all countries, in and to any and all inventions in the application entitled:

LIGHT AND MASSAGE MULTI-THERAPY HAIRBRUSH

Serial Number 29/305148, filed 3/14/2008, this assignment being effective *nunc pro tunc* as of the date of 3/14/2008, and in and to said application and all divisional, continuing, substitute, renewal, reissue, and all other applications for United States Letters Patent or other related property rights in any and all foreign countries which have been or shall be filed on any of said inventions disclosed in said application; and in and to all original and reissued patents or related foreign documents which have been or shall be issued on said inventions;

Authorize and request the Commissioner of Patents of the United States to issue to said Assignees, the corporation above named, its successors, assigns and legal representatives, in accordance with this assignment, any and all United States Letters Patent on said inventions or any of them disclosed in said application;

Agree that said Assignees may apply for and receive foreign Letters Patent or rights of any other kind for said inventions, or any of them; and may claim, in applications for said foreign Letters Patent or other rights, the priority of the aforesaid United States patent application under the provisions of the International Convention of 1883 and later modifications thereof, under the Patent Cooperation Treaty, under the European Patent Convention or under any other available international agreement; and that, when requested, without charge to, but at the expense of, said Assignees, their successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the undersigned or the undersigned's executors or administrators will, for the United States and all foreign countries, execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications or other documents on any and all said inventions; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignees, their successors, assigns and representatives, all facts known and documents available to the undersigned relating to said inventions and the history thereof; testify in all legal proceedings, and generally do everything possible which said Assignees, their successors, assigns or representatives shall consider desirable for aiding in securing, maintaining and enforcing proper patent protection for said inventions and for vesting title to said inventions and all applications for patents or related foreign rights and all patents on said inventions, in said Assignees, their successors, assigns and legal representatives; and

Covenant with said Assignees, their successors, assigns, and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
