EXHIBIT B

PATENT ASSIGNMENT

ALLERGAN, INC., a Delaware Corporation having its principal place of business at 2525 Dupont Drive, Irvine, California 92612 ("*Assignor*"), hereby assigns certain patent rights to ALEVIUM PHARMACEUTICALS, INC., a Delaware corporation ("*Assignee*").

WHEREAS, Assignor is the sole owner of the United States and foreign patents and patent applications set forth on Schedule A hereto (the "*Patents*"); and

WHEREAS, Assignor has agreed with Assignee for the transfer to it of Assignor's whole right, title and interest in and to such Patents and the inventions claimed therein.

WITNESSETH that, for the consideration provided pursuant to that certain Agreement by and between the Assignor, the Assignee and Winston Pharmaceuticals, LLC (the "*Agreement*"), and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor, as beneficial owner, hereby assigns and transfers to Assignee Assignor's whole right, title and interest throughout the world in and to the Patents, and the inventions they claim, and any and all divisional, continuation, continuation-in-part or substitute patent applications which claim priority (directly or indirectly, in whole or in part) to any of the Patents, and any patents in the United States of America or any foreign country granted therefor and thereon), and in and to any and all reissues or extensions of the Patents, and in and to any application, filed in any foreign country, claiming priority (directly or indirectly, in whole or in part) from the Patents (including, without limitation, the right to file said foreign applications and claim priority under the provisions of any international convention or treaty), and the full exclusive benefits thereof, and all rights, privileges and advantages appertaining thereto, including any and all rights to damages, profits or recoveries of any nature for past infringement of any of the foregoing patents and patent applications, and the right to pay any and all maintenance fees, taxes, and the like, to hold the same unto and to the use of Assignee, its successors and assigns absolutely during the residue of the respective terms for which the Patents and such other patents were granted and during any such terms (all of the foregoing patent rights and other rights, collectively referred to as the "*Patent Rights*"). Assignor hereby authorizes and requests the appropriate governmental authority of the United States of America or any foreign country to issue all patents resulting from any of the foregoing patent applications or patents to the Assignee, as the assignee of the entire interest therein. Assignor hereby covenants that Assignor has not executed and will not execute any agreements inconsistent with this Assignment.
