PATENT ASSIGNMENT

This Patent Assignment ("**Assignment**") is made effective as of 12:01 a.m. prevailing Central Time on December 16, 2008, by and between **Monarch Materials Group, Inc.**, an Iowa corporation ("**Assignor**") and **David S. Mulcahy**, an individual, whose address for purposes of this Assignment is 28972 R Avenue, Adel, Iowa 50003 ("**Assignee**").

WHEREAS, Assignor owns the patents or patent applications listed on Exhibit A attached hereto and incorporated herein by this reference (collectively, the "**Patents**") in connection with its manufacturing business (the "**Business**");

WHEREAS, Assignee has made a loan to Assignor and Assignor has granted to Assignee a security interest in the Patents to secure repayment of the loan and other obligations and indebtedness now or hereafter owing to Assignee.

NOW, THEREFORE, in consideration of the recitals and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns, and transfers to Assignee, all of its right, title and interest of every kind and character throughout the world in and to the Patents and any continuations, divisions, continuations-in-part, reissues, reexaminations, extensions, or foreign equivalents thereof and including the subject matter of all claims which may be obtained therefrom, for Assignee's own use and enjoyment and for the use and enjoyment of its successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Patent Assignment had not been made, together with all damages or payments due or payable, including without limitation, all claims for damages by reason of past, present or future infringement or other unauthorized use of the Patents, with the right to sue for, and collect the same for its own use and enjoyment, and for the use and enjoyment of its successors, assigns, or other legal representatives. Assignee is hereby authorized to file patent applications in any or all countries claiming priority to any or all said Patents in the name of Assignee or otherwise as Assignee may deem advisable, under the Patent Cooperation Treaty, Paris Convention, or otherwise, and the Commissioner of Patents and Trademarks of the United States of America is hereby authorized to issue or transfer all said Patents to Assignee in accordance herewith.

The undersigned hereby grants an authorized representative of Assignee the power to insert in this Assignment any further identification which may be necessary or desirable to comply with the rules of the U.S. Patent and Trademark Office for recordation of this Assignment.
