**ASSIGNMENT**

I, Khader Mohiuddin, a U.S. citizen with an address of 4125 Shorewood Trail, Medina, Minnesota, 55340, have made an invention relating to EXTRAVASATION DETECTION DEVICE and have executed an application for United States Letters Patent based thereon and on International Application No. PCT/US2007/066751, and identified by attorney's File No. 58534.1.1 and naming the following inventor: Khader Mohiuddin, U.S. Application No. 12/297,060, filed October 14, 2008.

In exchange for good and valuable consideration, the receipt of which I now acknowledge, I hereby assign to ACIST Medical Systems, Inc. with an address of 7905 Fuller Road, Eden Prairie, Minnesota, 55344, its successors and assigns ("Assignee"):

- (1) The entire right, title and interest to the above-identified invention and application;
- (2) The entire right, title and interest to any United States or foreign Letters Patents which may issue with respect to the above-identified invention;
- (3) The entire right, title and interest to any renewals, reissues, extensions, substitutions, continuations, continuations-in-part, or divisions that may be filed with respect to the above-identified invention and application; and
- (4) The right to apply for Letters Patents in foreign countries in its own name and to claim any priority rights to which such foreign applications are entitled under international conventions, treaties or otherwise.

I further agree for myself and for my heirs, executors and administrators, to execute and deliver without further consideration any further applications, assignments or other documents and to perform such other lawful acts as Assignee, its successors and assigns may deem necessary to fully secure its rights, title or interest as outlined herein.

I hereby authorize and request the Commissioner of Patents and Trademarks to issue to Assignee any Letters Patents which may be granted in accordance with this Assignment.

Dated this 11 day of November, 2008.
