ASSIGNMENT  
(All rights, all countries)

WHEREAS Giga Concept Inc. (hereinafter referred to as "GiGa") having its principal place of business at 11811 Suzor-Côté Street, Montréal, Québec, H3M 2H8, Canada, has been assigned the entire right, title and interest in and to certain inventions relating to a "Optical Waveguide Rotator Mechanism, Birefringence-Inducing Element and Polarization Control Devices Employing Either or Both and Methods of Using Same", as disclosed in a United States Provisional patent application No. 60/996,578, filed November 26, 2007 and United States patent application (Attorney Docket No. AP1369US) claiming priority therefrom, to be filed imminently;

AND WHEREAS said inventions were made pursuant to an agreement between the said Giga and EXFO Electro-Optical Engineering Inc., (hereinafter referred to as "EXFO"), whose full post office address is 400 Godin Avenue, Québec, Québec G1M 2K2,

AND WHEREAS the said EXFO is desirous of acquiring the entire right, title and interest in and to said inventions;

NOW THEREFORE, in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt of all of which is hereby acknowledged, the undersigned Giga does hereby confirm the sale, assignment, transfer and setting over, and does hereby sell, assign and transfer to the said EXFO, any and all such entire right, title and interest that it has in and to the said inventions, including the aforesaid United States patent application, United States Provisional patent application No. 60/996,578 and the priority rights associated therewith, and in and to any and all Letters Patent that may be granted or issued from time to time, in any and all countries with respect to the said inventions or any part thereof;

AND hereby authorizes the issuance to said EXFO of any and all said Letters Patent not already issued as the assignee of its entire right, title and interest in and to the same, for the sole use and benefit of said assignee, its successors, assigns or legal representatives;

AND covenants that it has full right to convey the entire interest herein assigned, and that it has not executed, and will not execute, any agreement in conflict herewith;

AND on behalf of itself and its heirs, executors, legal representatives, assigns and administrators, the undersigned Giga does hereby covenant and agree to communicate to the said EXFO, its successors, assigns, legal representatives or agents, any facts relating to said inventions, including evidence for interference purposes or for other proceedings, whenever requested; to testify in any interference, litigation or other proceedings, wherever requested; to do all such lawful acts and things and to execute without further consideration such further lawful assignments, documents, assurances, applications, and other instruments as may reasonably be required by said EXFO, its successors, assigns, legal representatives or agents, to obtain any and all said Letters Patent, in any country, for said inventions and vest the same in said EXFO, its successors, assigns or legal representatives; and to likewise make these provisions binding upon its heirs, legal representatives, administrators and assigns;

AND hereby grants Thomas Adams, whose post office address is Adams Patent & Trademark Agency, P.O. Box 11100, Station H, Ottawa, Ontario K2H 7T8 Canada, the power to insert in this Assignment any further identification which may be necessary or desirable to comply with the rules of a patent office for recordation of this Assignment.
