ASSIGNMENT

WHEREAS, I, **Richard C. Cope**, residing at 709 Henley Fields Circle, Duluth, GA 30097, a citizen of the United States of America, (the "Assignor") have invented certain inventions and improvements disclosed in a provisional patent application entitled "**FLEXIBLE DISPLAY**", filed in the United States Patent and Trademark Office on the 4th day of **January, 2008**, under Provisional Application Serial No. **61/019,144**; and

WHEREAS, **NANOLUMENS ACQUISITION, INC.**, a corporation organized under the laws of GA, USA with its principal place of business at 680 Engineering Drive, Ste. 180, Norcross, GA 30092 (the "Assignee") is desirous of acquiring an interest in the same;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which we hereby acknowledge, the Assignor, by these presents does sell, assign and transfer unto **NANOLUMENS ACQUISITION, INC.**, the full, exclusive and entire right, title, and interest in and to said application and any and all applications for patents and patents therefrom including any nonprovisionals, divisions, continuations, and reissues thereof, and in and to all inventions and improvements disclosed and described in said application, preparatory to obtaining Letters Patent of the United States therefor; and I hereby request the Commissioner of Patents and Trademarks to issue any and all Letters Patent of the United States resulting from said application and any and all applications for patents and patents therefrom including any nonprovisional, division, continuation, or reissue thereof, to **NANOLUMENS ACQUISITION, INC.**, as the assignee, for its interest and for the sole use and benefit of **NANOLUMENS ACQUISITION, INC.**, and its assigns and legal representatives;

For the same consideration, I, by these presents do sell, assign, and transfer to **NANOLUMENS ACQUISITION, INC.**, the full, exclusive, and entire right, title and interest in and to any foreign application or applications corresponding to said application, in whole or in part, in countries other than the United States, in and to any Letters Patent and similar protective rights granted on said foreign applications, and in and to the right to claim any applicable priority

rights arising from or required for said foreign applications under the terms of any applicable conventions, treaties, statutes, or regulations; said foreign applications to be filed and issued in the name of **NANOLUMENS ACQUISITION, INC.**, or its designee insofar as permitted by applicable law.

AND, for the same consideration, I agree to sign all lawful papers, execute any and all applications for patents and patents therefrom including any nonprovisional, division, continuing, reissue and other applications, make all assignments and rightful oaths, and generally do everything possible to aid **NANOLUMENS ACQUISITION, INC.**, its successors, assigns, and nominees, to obtain and enforce proper protection for all said inventions and improvements in all countries throughout the world.

Dated: February 25, 2008

Richard C. Cope
