ASSIGNMENT

WHEREAS, PICOSOLVE, INC., a Delaware corporation with an address located at 8909 Clearwater Court, Fogelsville, PA 18051 (hereinafter called the "Assignor") is the owner of rights in certain patents listed in the attached Schedule labeled as Appendix A, and the inventions disclosed and claimed therein including know-how relating thereto (the "Patents") and all improvements relating thereto ("Improvements"); and

WHEREAS, Starta Eget Boxen 11629 AB, under change of name to AWS Holding AB, a Private Limited Corporation (organization number 556775-8486) duly organized and operating in good standing under the laws of the nation of Sweden with registered address c/o ÖhrlingspricewaterhouseCoopers AB, P.O Box 20, SE-851 02 SUNDSVALL, Sweden, under change of address to Valebergsvagen 277, SE-427 37 Billdal, Sweden (hereinafter called the "Assignee"), is desirous of acquiring the entire right, title, and interest in and to the Patents;

NOW, THEREFORE, effective immediately by this document, and in consideration of the sum of \$10,000 and other valuable considerations, receipt whereof is hereby acknowledged, the Assignor does hereby sell, assign, and transfer unto the Assignee, its successors and assigns, nunc pro tunc, Assignor's entire right, title, and interest, in the United States and all foreign countries, in the Patents and the Improvements, and all continuations, divisions, extensions, reexaminations, reissues, and substitutes thereof (including patents applied for or issued in relation to the Improvements), rights of priority under the International Convention for the protection of Industrial Property, the Inter-American Convention Relating to Patents, Designs and Industrial Models, and any other international agreements to which the United States adheres, and in and to all income, royalties, damages, claims, and payments now or hereafter due or payable with respect thereto, and in and to all causes of action (either in law or equity) and the right to sue, counterclaim, and recover for past, present, and

future infringement of the rights assigned to Assignee hereunder. The Assignor does hereby authorize the Assignee, its successors and assigns, to file in its own name applications for patents in foreign countries in connection with the Patents and Improvements hereby transferred, under the International Convention claiming the priority of the Patents or otherwise, and to secure in its own name the patent or patents issued thereon. The Assignor does hereby agree and covenant that upon request, it will sign all papers, and make all rightful oaths, and do all acts where the Assignee, its successors or assigns, may consider necessary in connection with the Patents and Improvements, and in connection with any other U.S. or foreign applications that may be filed in connection with the Patents, and with any improvements thereon, and in connection with any patents issued or reissued thereon, provided, however, that the Assignor shall have no obligation to incur or bear responsibility for any expense in connection therewith. It is further agreed that all future patent related fees and expenses including all patent maintenance and attorney fees incurred in connection with the Patents will be solely the responsibility of the Assignee.

Signed this 28th day of January, 2009.
