RECITALS

- A. Colin Campbell Marshall Moore ("**Colin**"), Ian Marshall Moore ("**Ian**") and others (together, the "**Parties**") are parties to a settlement deed dated 12 August 2008 ("**Settlement Deed**") under which the Parties are settling on a final basis all disputes relating to New South Wales Supreme Court proceedings 6302 of 2006 (the "**Proceedings**").
- B. On 3 March 2008, His Honour Justice Barrett made orders in the Proceedings ("**the Orders**") vesting title in certain patents that are set out in Schedule 1 to the Settlement Deed ("**Patents**") in trustees Martin Madden and David Winterbottom of Korda Mentha ("**the Trustees**").
- C. The Parties have also entered into a Deed of Release dated 12 August 2008 in favour of the Trustees ("**Deed of Release**"), which they agreed would be effective when the Trustees approved the Settlement Deed and effected the assignment of the Patents to Colin. This Deed records the Trustees' satisfaction of those steps.

If any further documents are required to be executed to vest full legal and beneficial title in the Patents to Colin, the Trustees agree to execute such documents, provided their reasonable costs and expenses of doing so are met by Colin.

2. APPROVAL OF SETTLEMENT DEED

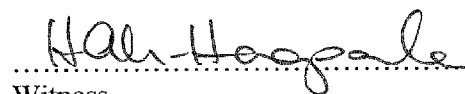

The Trustees confirm their approval of the terms of the Settlement Deed, a copy of which is attached as Annexure "A" to this Deed.
