ASSIGNMENT

This Assignment made by us, **Joey Nakayama**, a citizen of the United States of America, residing at 725 N. Throop #2, City of Chicago, County of Cook, State of Illinois; **Adam Ruggles**, a citizen of the United States of America, residing at 3157 N. Hudson Ave., Apt. D3, City of Chicago, County of Cook, State of Illinois; **Gary F. Prokop**, a citizen of the United States of America, residing at 830 Pick Street, City of Wheaton, County of DuPage, State of Illinois; **David Chesley**, a citizen of the United States of America, residing at 300 Congress Street, City of Duxbury, County of Plymouth, State of Massachusetts; **Mark Wolfson**, a citizen of the United States of America, residing at 31 Pine Plain Road, City of Wellesley, County of Norfolk, State of Massachusetts; **Natan Pheil**, a citizen of the United States of America, residing at 1928 N. Damen Rear #2, City of Chicago, County of Cook, State of Illinois; **David S. Jaggi**, a citizen of the United States of America, residing at 1119 N. Marion Street, City of Oak Park, County of Cook, State of Illinois; and **Martin Rathgeber**, a citizen of Germany, residing at 2212 N. Rockwell Street, City of Chicago, County of Cook, State of Illinois, hereinafter referred to as assignors.

WITNESSETH: That,

WHEREAS, we are the joint inventors of certain new and useful improvements in **OCULAR IMAGING APPARATUS**, U.S. Patent Application Serial No. 29/329,613, filed December 18, 2008, for which we have executed a declaration.

WHEREAS, Herbst Lazar Bell Inc., 355 North Canal Street, City of Chicago, County of Cook, State of Illinois, hereinafter referred to as assignee, is desirous of acquiring the entire right, title and interest in and to said invention as described in the specification executed by us concurrently herewith, and any and all utility patent applications and Letters Patent which shall

be granted therefor;

NOW, THEREFORE, To All Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we, the said assignors, have sold, assigned, transferred and set over unto the said assignee, its successors and assigns, the entire right, title and interest in and to the above-mentioned application and invention and in and to any and all Letters Patent of the United States which may hereafter be granted therefor, and in any and to any and all utility patent applications, continuations, continuations-in-part, substitutions, divisions or reissues of said Letters Patent, the same to be held and enjoyed by the said assignee, for its interest, and for its own use and behalf, and the use and behalf of its successors and assigns, to the full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by us had this assignment and sale not been made.

And for the consideration aforesaid, we hereby covenant and agree to and with the said assignee, its successors and assigns, that at the time of the execution and delivery of these presents we are the joint and lawful owners of the entire right, title and interest in and to the invention, application and Letters Patent above-mentioned and that the same are unencumbered, and that we have good right and lawful authority to sell and convey the same in the manner herein set forth.

And for the consideration aforesaid, we hereby covenant and agree to and with the said assignee, its successors and assigns, that we will, whenever its counsel or the counsel of its successors and assigns, learned in the law, shall advise that an amendment, division, continuation, continuation-in-part, or substitution of, or any other proceeding in connection with said application, including interference proceedings, is lawful and desirable, sign all papers and drawings, take all rightful oaths, and do all acts necessary or required to be done for the

procurement of valid Letters Patent for said invention, or for the reissue of the same without charge to our said assignee, its successors or assigns, but at its or their expense.

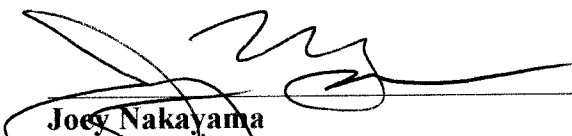

We hereby request the Commissioner for Patents to issue the Letters Patent in accordance with this instrument.

For the consideration aforesaid, we have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto the said assignee, its successors, assigns or nominee, the entire right, title and interest in and to any and all Letters Patent for said invention which may be granted in countries foreign to the United States and in and to any applications for Letters Patent which may be filed for said invention in countries foreign to the United States and in and to the invention described in said application; and we hereby authorize and empower the said assignee, its successors, assigns or nominees to apply for Letters Patent or other form of protection on said invention in its own name or in the name of its successor, assignee, or nominee, in any and all countries where it may desire to file such application and where said application may be filed by another than the inventor; and we hereby covenant and agree to sign all papers and drawings, take all rightful oaths, and do all acts necessary or required to be done for procurement of Letters Patent, or other form of protection, for said invention or inventions in countries foreign to the United States, and for further investing or confirming the right and title therein to the assignee, its successors, assignee, or nominee, without charge to our said assignee, its successor, assignee or nominee, but at its or their expense.
