INVENTOR ASSIGNMENT

Application Serial No. 60/803,187

Filing Date: May 25, 2006

Inventors: Jonathan David Tuckwell, Robert Owen Kivlin, John Paul Palmer-Felgate, Lee Wood, Robert Dyer, Chris Kadamus, Ben Arlett, Peter Schwan, Matthew Burgess Avery, Kevin George Skinner

For the avoidance of doubt and in consideration of the sum of one dollar (\$1) and other good and valuable considerations in hand paid, the receipt of which I hereby acknowledge, the undersigned hereby assign to:

Cambridge Consultants Limited of Science Park, Milton Road, Cambridge CD4 0DW England

its successors and assigns, the entire right, title, and interest in the invention or improvements of the undersigned disclosed in an application for Letters Patent of the United States, entitled:

Reconstitution Device

and identified as:

Case No. 06-217

in the offices of MCDONNELL BOEHNEN HULBERT & BERGHOFF LLP and in said application and any and all other applications, both in United States and other countries, which the undersigned may file, either solely or jointly with others, on said invention or improvements, and in any and all Letters Patent of the United States and other countries, which may be obtained on any of said applications, and in any reissue or extension of such patents, and further assigns to said assignee the priority right provided by the International Convention.

The undersigned hereby acknowledge that at the time of making the invention he was employed or contracted by Cambridge Consultants Limited to perform certain duties and that the invention or parts thereof were made by the him in the course of:

- a) his normal duties or duties specifically assigned to him, and the circumstances thereof were such that an invention might reasonably have been expected to result from him carrying out those duties, or
- b) his duties and, because of the nature of those duties and his particular responsibilities arising from them, he had a special obligation to further the interests of the Cambridge Consultants Limited,

and therefore, by virtue of the above or by the terms of his contract of employment with Cambridge Consultants Limited, the invention of the undersigned belongs to Cambridge Consultants Limited for all purposes.

The undersigned hereby irrevocably appoint the assignee, its successors and assigns, to be their Attorney in their name and on their behalf so that the assignee, its successors and assigns can execute any document, take any action and generally use his name for the purpose of giving the assignee, its successors and assigns the full benefit of the provisions of this Assignment. A certificate in writing signed by any director or secretary of the assignee, its successors and assigns that any document or act falls within the authority given by this clause shall be conclusive evidence in favour of any third party that such is the case.

The undersigned hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to said assignee.

The undersigned warrant themselves to be the owners of rights, title and interest in said invention or improvements and to have the right to make this assignment, and further warrant that there are no outstanding prior assignments, licenses, or other encumbrances on the interest herein assigned.

For said considerations the undersigned hereby agree, upon the request and at the expense of said assignee, its successors and assigns, to execute any and all divisional, continuations, and substitute applications for said invention or improvements, and any necessary oath, affidavit or declaration relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said application and any and all applications and other documents for Letters Patent in countries other than the United States on said invention or improvements, that said assignee, its successors or assigns may deem necessary or expedient, and for the said considerations the undersigned authorize said assignee to apply for patents for said invention or improvements in its own name in such countries where such procedure is proper and further agree, upon the request of said assignee, its successors and assigns, to cooperate to the best of the ability of the undersigned with said assignee, its successors and assigns, in any proceedings or transactions involving such applications or patents, including the preparation and execution of preliminary statements, giving and producing evidence, and performing any and all other acts necessary to obtain, maintain and enforce said Letters Patent, both United States and of other countries, and vest all rights therein hereby conveyed in the assignee, its successors and assigns, whereby said Letters Patent will be held and enjoyed by the said assignee, its successors and assigns, to the full end of the term for which said Letters Patent will be granted, as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment had not been made.

The undersigned agree that any such request by Cambridge Consultants Limited that involves the execution of any document purporting to transfer or assign any rights in the invention for the purpose of obtaining patent or similar protection in any country outside the United States will not constitute an acknowledgement by Cambridge Consultants Limited that any right in the invention belongs to him.
