ASSIGNMENT

WHEREAS, Wearforce Pty Ltd, an Australian company with a place of business at 533 Abernethy Road, Kewdale, Western Australia, 6105 (hereinafter "ASSIGNOR") is the owner of all right, title and interest in and to U.S. Patent Application Serial No. 12/197,489 filed on August 25, 2008 for "SHROUD ASSEMBLY";

WHEREAS, ASSIGNOR desires to assign 25% of all its right, title and interest in and to U.S. Patent Application Serial No. 12/197,489 to Castech Solutions Pty Ltd, an Australian company with a place of business at 168 Marine Terrace, South Fremantle, Western Australia, 6162 (hereinafter "Castech" or "Co-Assignee"), and 25% of all its right, title, and interest in and to U.S. Patent Application Serial No. 12/197,489 to Daxit Pty Ltd, an Australian company with a place of business at 32 Old Brickworks Road, Byford, Western Australia, 6122 (hereinafter "Daxit" or "Co-Assignee");

WHEREAS, Castech, is desirous of acquiring the stated right, title and interest in and to U.S. Patent Application Serial No. 12/197,489; and

WHEREAS, Daxit is desirous of acquiring the stated right, title, and interest in and to U.S. Patent Application Serial No. 12/197,489;

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy whereof is hereby acknowledged, Assignor agrees to, and hereby does, sell, assign and transfer unto each of Castech and Daxit, and their respective successors in interest, 50% (that is two lots of 25%) of the total Assignor's right, title and interest in the United States of America and throughout the world, including the right to claim priority under the laws of the United States, the Paris Convention, and any foreign countries to the invention as described in the aforesaid application and all United States Letters Patent which may be granted therefore, and all divisions, continuations, reissues, reexaminations and extensions thereof, these partial rights, title and interest to be held and enjoyed by Castech and Daxit to the full end of the term for which the Letters Patent are granted and any extensions thereof as fully and entirely as the same would have been held by Assignor had this assignment and sale not been made, and the right to sue for, and recover for past infringements of, or liabilities for, any of the rights relating to any of the applications or patents resulting therefrom;

Assignor hereby covenants and agrees to execute and/or secure the execution of all instruments or documents required or requested for the making and prosecution of any applications of any type for patent in the United States and in all foreign countries including, but not limited to, any provisional, continuation, continuation-in-part, divisional, renewal or substitute thereof, and as to the letters patent any reissue, re-examination, or extension thereof, and for litigation regarding, or for the purpose of protecting title and to the said invention, the United States application for patent, or Letters Patent therefore, and to testify and/or secure the testimony in support thereof, for the benefit of itself and of Castech and Daxit as Co-Assignees without further or other compensation than that above set forth;

Assignor hereby covenants that at the time of execution of this Assignment, Assignor is the owner of all right, title, and interest in and to U.S. Patent Application Serial No. 12/197,489 and that no assignment, sale, license, agreement or encumbrance has been or will be entered into by Assignor which would conflict with this Assignment; and

Assignor hereby requests the United States Patent and Trademark Office to issue the Letters Patent of the United States of America to itself and to Castech and Daxit as Co-Assignees and requests that any official of any country of countries foreign to the United States, whose duty is to issue or grant patents and applications as aforesaid, to issue the Letters Patent, Utility Model Registration or Inventor's Certificate to itself and to Castech and Daxit as Co-Assignees.

The undersigned hereby grant (s) the law firm of Harness, Dickey & Pierce, P.L.C. the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the U.S. Patent and Trademark Office for recordation of this document.

ASSIGNOR agrees to execute such further documents and take such acts as reasonably required by Castech or Daxit, or Castech's successor or Daxit's successor, to secure and enforce Castech's and Daxit's rights in U.S. Patent Application Serial No. 12/197,489, including but not limited to further assignments.
