ASSIGNMENT *NUNC PRO TUNC*

WHEREAS, on October 11, 2002, the following U.S. Patents were assigned from First International Bank to Atlas Marine Systems, Inc.: 5,053,635; 5,646,458; 5,081,368; 5,920,467; and 5,804,953 (collectively, "the patents.") This Assignment was recorded in the U.S. Patent and Trademark Office at reel 013845, frame 0968.

WHEREAS, on August 31, 2003, U.S. Patent Nos. 5,053,635; 5,646,458; 5,081,368; 5,920,467; and 5,804,953 were assigned from Atlas Marine Systems, Inc. to Atlas Marine Systems, LP.

WHEREAS, on May 5, 2006, PCT/US05/015421 ("the PCT Application") was assigned from J. O. Shires and R. Beutel to Atlas Marine Systems, LP. This latter Assignment was recorded in the U.S. Patent and Trademark Office at reel 018357, frame 0374.

WHEREAS, Unitron, LP, a Limited Partnership organized under and pursuant to the laws of Delaware, having its principal place of business at 10925 Miller RD, Dallas, TX 75238 (hereinafter referred to as Assignee), is desirous of acquiring the entire right, title and interest in and to said Patents and said PCT Application, and in and to any Letters Patent to be obtained therefore, as well as to the inventions described in said Patents and said PCT Application.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient consideration, the receipt of which is hereby acknowledged, Atlas Marine Systems LP has sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the said inventions, the said Patents, the said PCT Application and to all patents corresponding thereto, as well as in and to any and all direct and indirect divisions, continuations and continuations-in-part of said application, and any and all Letters Patent in the United States and all foreign countries which may be granted therefore and thereon, and reissues, reexaminations and extensions of said Letters Patent, and all rights under the International Convention for

the Protection of Industrial Property, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignor, had this sale and assignment not been made.

AND for the same consideration, Assignor hereby represents and warrants to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignor is the sole and lawful owner of the entire right, title and interest in and to the said inventions and application for Letters Patent above-mentioned, and that the same are unencumbered and that Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignor hereby covenants and agrees to and with Assignee, its successors, legal representatives and assigns, that Assignor will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letters Patent for said inventions, without charge to Assignee, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said inventions, or said Patent application for Letters Patent, or any proceeding in connection with any Letters Patent or applications for Letters Patent for said inventions in any country, including but not limited to interference proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

AND Assignor hereby requests all Letters Patent corresponding to said PCT Application be issued to Assignee, as Assignee of said inventions and the Letters Patent

to be issued thereon, for the sole use and benefit of Assignee, its successors, legal representatives and assigns.
