ASSIGNMENT OF PATENT APPLICATION

THE ASSIGNOR is Christopher W. Midgley, a citizen of USA, residing at 314 Green Street, Northborough, MA 01532. The Assignor made certain inventions and discoveries described in United States Patent Application titled "MANAGED DESKTOP SYSTEM," listing inventor(s) Christopher W. Midgley, John Webb, and Manuel Gonsalves, and filed on February 13, 2009.

THE ASSIGNEE is Unidesk, Corporation, a corporation organized and existing under the laws of the State of Delaware, and having an office and place of business at 313 Boston Post Road West, Marlborough, MA 01752. "Assignee" includes its successors and assigns.

I, Christopher W. Midgley, hereby without reservation:

1. Assign to Assignee my entire right, title and interest in and to said inventions and discoveries invented by me as described in said United States Patent Application, any and all applications for patent and patents on said inventions and discoveries in any and all countries, including all divisions, continuations, reissues, and extensions thereof and all rights of priority resulting from the filing of said United States Patent Application;
2. Authorize Assignee to file patent applications in my name, or in the name of Assignee or otherwise, under the International Convention or otherwise, in any or all countries on any or all of said inventions and discoveries;
3. Authorize and request the Commissioner of Patents of the United States of America and any official whose duty it is to issue patents to issue to Assignee any patent on said inventions and discoveries, or any patent resulting from said inventions and discoveries;
4. Agree that on request, and without consideration but at the expense of Assignee, I will communicate to Assignee or its representatives or nominees any facts known to me respecting said inventions and discoveries, testify in any legal proceedings, sign and deliver all lawful papers, execute all divisional, continuing, and reissue applications, make all rightful oaths, deliver any and all documents, photographs, models, samples and other physical exhibits in my control respecting said inventions and discoveries, and generally aid Assignee or its representatives or nominees to obtain and enforce proper protection for said inventions and discoveries in all countries; and

5. Warrant that I have not knowingly conveyed to others any right in said inventions and discoveries, and that I have good right to assign said inventions and discoveries to Assignee without encumbrance.
