PATENT ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the undersigned hereby assigns to Pertronix, Inc., a California corporation, having a principal place of business at 440 E. Arrow Highway, San Dimas, California 91773, its successors and assigns (hereinafter "Assignee"), the entire right, title and interest in the inventions or improvements of the undersigned disclosed in the following applications and/or United States Letters Patent:

United States Patent: D406,593
Issued: March 9, 1999
Titled: EXHAUST HEADER
Inventor: Bittle, James J. (San Diego, CA)
Application No.: D/073.513
Filed: July 14, 1997

United States Patent: 6,467,260
Issued: October 22, 2002
Titled: GAS FLOW HEADERS FOR INTERNAL COMBUSTION ENGINES
Inventor: Bittle, James J. (San Diego, CA)
Application No.: 09/379,879
Filed: August 24, 1999

And any and all other applications for Letters Patent which the Assignee or the undersigned may file, either solely or jointly with others, on said inventions or improvements, and in any and all Letters Patent of the United States which may be obtained on any of said applications, including any identified above, and in any reissue or extension thereof.

The undersigned hereby authorizes and requests the Commissioner of Patents to issue said Letters Patent to said Assignee.

The undersigned hereby authorizes and requests the attorneys of record in said applications to insert in the Assignment the serial numbers, filing dates, and dates of execution of said applications.

For said considerations, the undersigned hereby agrees, upon the request and at the expense of said Assignee, to execute any divisional, continuation, continuation-in-part or substitute applications for said inventions or improvements, and any oath or affidavit relating thereto, and any applications for the reissue or extension of any Letters Patent that may be granted upon said applications, and in the event of any applications of Letters Patent assigned herein becoming involved in an interference, to cooperate to the best of the ability of the undersigned in the matters of preparing and executing the preliminary statements and giving and producing evidence in support thereof. The undersigned agrees to perform, upon request, any affirmative acts to obtain said Letters Patent of the United States and vest in said Assignee all rights therein, whereby said Letters Patent will be held and enjoyed by said Assignee, to the full

end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment had not been made.

And for said consideration, the undersigned hereby assigns to said Assignee the entire right, title and interest in said inventions or improvements for all foreign countries, including all priority rights, and agrees to execute, at the request of said Assignee, all documents in connection with any application for foreign Letters Patent therefor.

James J. Bittle
