ASSIGNMENT

This Assignment, effective as of August 18, 2008, is made by Christopher R. Tilton of Laguna Hills, California, Assignor, to Earth First Industries Incorporated, a California corporation, Assignee, having a place of business at 4695 MacArthur Court, Eleventh Floor, Newport Beach, California 92660, U.S.A.

WHEREAS, Assignor has invented new and useful FLEXIBLE PACKAGING COMPOSITES (the invention) for which a utility application for United States Letters Patent was filed on August 18, 2008 and has Application No. 12/193,577 (the application); and

WHEREAS, Assignor believes himself to be the original, first, and sole inventor of the invention disclosed in the application; and

WHEREAS, Assignee desires to acquire by formal, recordable assignment the entire right, title, and interest in and to said invention, said application, and any Letters Patent that may be granted for said invention in the United States and throughout the world;

NOW, THEREFORE, for the sum of two hundred U.S. dollars (US \$200) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns, and transfers to Assignee, the entire right, title, and interest in and to said invention, said application, and any Letters Patent that may be granted for said invention in the United States and throughout the world, including the right to file foreign applications directly in the name of Assignee and to claim for any such foreign applications any priority rights to which such applications are entitled under international conventions, treaties or otherwise.

Further, Assignor agrees that, upon request and without further compensation, but at no expense to Assignor, he and his legal representative(s) and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable

for obtaining, sustaining, reissuing, or enforcing Letters Patent in the United States and throughout the world for said invention, and for perfecting, recording, or maintaining the title of Assignee, its successors and assigns, to said invention, said applications and any Letters Patent granted for said invention in the United States and throughout the world.

Assignor represents and warrants that he has not granted and will not grant to others any rights inconsistent with the rights granted herein.

Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Letters Patent granted for said invention, whether on said application or on any subsequently filed division, continuation, continuation-in-part, or reissue application, to Assignee, its successors and assigns, as the assignee of the entire interest in said invention.

IN WITNESS WHEREOF, Assignor and Assignee have executed this Assignment on the date written herein below.
