Docket No. 99-2104

ASSIGNMENT

WHEREAS, Mark Jonathan Beck (hereinafter referred to as the assignor), residing at 60 Ellenwood Avenue, Los Gatos, CA 95030 has invented new and useful improvements in an invention entitled: "METHOD AND COMPOSITION FOR CLEANING WAFERS" set forth in a United States patent application filed on December 8, 2008, as Application No. 12/330,486; and

WHEREAS, Fontana Technology, a corporation duly organized under and pursuant to the laws of California, and having a place of business at 1745 Dell Avenue, Campbell, CA 95008 (hereinafter referred to as the assignee), desires to acquire the entire right, title and interest in and to said invention and patent application, and in and to any Letters Patent or Patents of the United States and all foreign countries, to be obtained therefor and thereon;

NOW THEREFORE, for valuable consideration, receipt of which is hereby acknowledged, said assignor hereby sells, assigns, and transfers to assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to said invention and patent application, and any and all Letters Patent or Patents in the United States of America and all foreign countries which may be granted therefor and thereon, including any and all divisions and continuations of said patent application, and any reissues or extensions of said Letters Patent or Patents, and all rights of priority, including all rights under the International Convention for the Protection of Industrial Property, the same be held and enjoyed by said assignee, for its own use and the use of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent or Patents may be granted, as fully and entirely as the same would have been held and enjoyed by the assignor, had this sale and assignment not been made.

AND for the same consideration, said assignor hereby covenants and agrees to and with said assignee, its successors, legal representatives and assigns, that said assignors will, whenever counsel of said assignee, or the counsel of its successors, legal representatives or assigns, shall advise that any proceeding in connection with said invention, or said patent application, or any proceeding in connection with Letters Patent for said invention in any country, including interference proceedings, is lawful and desirable, or that any division or continuation of any application for Letters Patent or any reissue or extension of any Letters Patent, to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of Letters Patent for said invention, without charge to said assignee, its successors, legal representatives and assigns, but at the cost and expense of said assignee, its successors, legal representatives and assigns.
