,and in and to said application and all divisional, continuing, substitute, renewal, reissue, and all other  
applications for Letters patent which have been or shall be filed in the United States and all foreign  
countries on any of said improvements; and in and to all original and reissued patents which have  
been or shall be issued in the United States and all foreign countries on said improvements;

Agree that said Assignee may apply for and receive Letters Patent for said improvements in  
its own name and that, when requested, without charge to but at the expense of said Assignee, its  
successors, assigns and legal representatives, to carry out in good faith the intent and purpose of  
this assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue,  
and all other patent applications on any and all said improvements; execute all rightful oaths,  
assignments, powers of attorney and other papers; communicate to said Assignee, its successors,  
assigns, and representatives, all facts known to the undersigned relating to said improvements and  
the history thereof; and generally do everything possible which said Assignee, its successors,  
assigns or representatives shall consider desirable for aiding in securing and maintaining proper  
patent protection for said improvements and for vesting title to said improvements and all  
applications for patent and all patents on said improvements, in said Assignee, its successors,  
assigns and legal representatives; and

Covenant with said Assignee, its successors, assigns and legal representatives that no  
assignment, grant, mortgage, license or other agreement affecting the rights and property herein  
conveyed has been made to others by the undersigned, and that full right to convey the same as  
herein expressed is possessed by the undersigned.
