WHEREAS, I am a joint inventor of certain new and useful improvements in a QUICK MIXING BABY FORMULA CYLINDER (the "Invention"), for which United States patent application Serial No. 11/714,575 was filed on March 6, 2007 (the "Patent Application"), and

Assignor represents and warrants that he is the sole and lawful owner of the entire right, title and interest in and to the Invention and the Patent Application, which are unencumbered, and that he has the lawful authority to sell, transfer and assign and convey the Invention and the Patent Application.
