**A S S I G N M E N T**

WHEREAS, I, Terence Ives Ashworth, of Guernsey, British Channel Islands, Great Britain, have invented a certain invention, entitled PARTICLE SEPARATION ASSEMBLY, for which I am making application for Letters Patent of the United States, said application having been filed on December 11, 2008, and assigned U.S. Patent Application No. 12/333,111, (hereinafter called The Application); and

WHEREAS, Vapormatt Limited, a limited liability company registered in Guernsey, British Channel Islands, having a place of business at The Ives, Closel Lane, Vale, Guernsey, GY3 5ES, British Channel Islands, Great Britain, desires to confirm its rights therein:

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, I, Terence Ives Ashworth, hereby confirm that I have, and to the extent that there are any rights that I still have, hereby do sell, assign and transfer to Vapormatt Limited, the full and exclusive right, title and interest in and to said invention, Patent Application and U.S. Patent Rights therein, the right to claim priority to European Patent Application No. EP 07254778.9; said invention, application and letters patent in the U.S., and all divisions, continuations, reissues and extensions thereof, to be held and enjoyed by Vapormatt Limited, for its own use and benefit, and for its successors and assigns to the full end of the term for which letters patent may be granted in the U.S., as fully and entirely as the same would have been held by me had this assignment and sale not been made, and covenant that I have full right so to do, and that I have not granted any rights in this invention or this Patent Application to any party other than Vapormatt Limited and am under no obligation to do so, and agree that I will communicate to

Vapormatt Limited, or its successors and assigns, any facts known to me respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths, and do everything possible to aid Vapormatt Limited, its successors and assigns to obtain and enforce proper patent protection for said invention in this or any foreign country.

I hereby grant the law firm of Klarquist Sparkman, LLP, the power to insert on this Assignment any further information which may be necessary or desirable in order to comply with all applicable legal requirements, including the rules of the United States Patent and Trademark Office, for submitting and recording this document.

Executed at Rue a chiens St. Sampsons, Guernsey., Great Britain, this 12 day of February, 2009.
