ASSIGNMENT

WHEREAS, I, Scott Alan Isaacson, of Woodland Hills, Utah, have made certain new and useful inventions as set forth in U.S. patent application _____, filed _____ entitled FILE SYSTEM IN A COMPUTING ENVIRONMENT;

AND WHEREAS, Novell, Inc., a corporation of the state of Delaware, having a place of business at 1800 South Novell Place, M/S H544, Provo, Utah 84606, is desirous of acquiring the entire right, title and interest in and to said inventions and in and to any and all Letters Patent of the United States and foreign countries which may be obtained therefor based on this application;

NOW, THEREFORE, for good and valuable consideration, I do hereby sell, assign, transfer and set over unto Novell, Inc., its legal representatives, successors, and assigns, the entire right, title and interest in and to said inventions as set forth in the above-mentioned application, to the application itself, and in and to any and all patents of the United States and foreign countries which may be issued for said inventions;

UPON SAID CONSIDERATIONS, I hereby agree with the said assignee that I will not execute any writing or do any act whatsoever conflicting with these presents, and that I will, at any time upon request, without further or additional consideration but at the expense of the said assignee, execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuation, continuations-in-part, reexamined, reissued, or extended Letters Patent of the United

States or of any and all foreign countries on said inventions, and in enforcing any rights or chooses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of, the assigns and legal representatives of assignor and assignee;

AND I authorize the law firm of King & Schickli, PLLC to insert the serial number and filing date of the application when known;

AND I request the Commissioner of Patents and Trademarks or the corresponding official in any foreign country in which a patent or patents may issue for said inventions, to issue said patent or patents to Novell, Inc., its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in and to said patents and the inventions covered thereby.
