ASSIGNMENT

WHEREAS, I, RONALD H. GRIFFIN, a citizen of the United States of America, residing at 2921 Cranberry Road, Boonville, North Carolina 27011 (hereinafter "Assignor"), have invented with my co-inventor, ROBERT RUNG, a new and original CIRCULAR SUCTION OUTLET ASSEMBLY COVER DESIGN, for which a continuation-in-part design application ("CIP Application") was filed in the United States Patent and Trademark Office on November 13, 2008 as U.S. Application No. 29/327,789, which claims priority to U.S. Application No. 11/520,399, filed September 13, 2006, said priority application having previously been assigned to H-Tech, Inc. and its assigns; and

WHEREAS, HAYWARD INDUSTRIES, INC., a corporation organized and existing under the laws of the State of New Jersey and having a place of business at 620 Division Street, Elizabeth, New Jersey 07201 (referred to hereinafter as "Assignee"), is the present assign of H-Tech, Inc. and is desirous of further memorializing acquisition of Assignor's entire right, title and interest in and to said design, said CIP Application, the right to claim priority thereto and to any and all related applications in which the Assignor is an inventor, and any U.S. and/or foreign patent or design that may be granted thereon or therefrom.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, Assignor sells, assigns and sets over to said Assignee the entire right, title and interest in and for the United States of America and all other countries, in and to said design and the aforesaid CIP Application for patent, all original, divisional, continuation, continuation-in-part, non-provisional, reexamination, substitute or reissue applications and patents applied for or granted therefor in the United States of America and all other countries, and the Commissioner of Patents and Trademarks is hereby authorized and requested to issue all patents on said CIP Application and/or applications resulting therefrom to Hayward Industries, Inc, as Assignee of the entire interest therein; and the undersigned for him and his legal representatives, heirs and assigns does hereby agree and covenant, without further remuneration, to execute and deliver all non-provisional, divisional, continuation, continuation-in-part, reexamination, reissue and other applications for patent on said invention and all assignments thereof to said Assignee or its assigns, to communicate to said Assignee or its legal representatives all facts known to the undersigned respecting said design, to testify in any interferences or other legal proceedings in which any of said applications or patents may become involved, to sign all lawful papers, make all rightful oaths and to do generally everything necessary to aid said Assignee, its successors, assigns and nominees in obtaining patent protection on said invention in all countries, the expenses incident to said applications to be borne and paid by said Assignee.

ASSIGNMENT

WHEREAS, I, ROBERT RUNG, a citizen of the United States of America, residing at 349 Lakeside Boulevard, Hopatcong, New Jersey 07843 (hereinafter "Assignor"), have invented with my co-inventor, RONALD H. GRIFFIN, a new and original CIRCULAR SUCTION OUTLET ASSEMBLY COVER DESIGN, for which a continuation-in-part design application ("CIP Application") was filed in the United States Patent and Trademark Office on November 13, 2008 as U.S. Application No. 29/327,789, which claims priority to U.S. Application No. 11/520,399, filed September 13, 2006, said priority application having previously been assigned to H-Tech, Inc. and its assigns; and

WHEREAS, HAYWARD INDUSTRIES, INC., a corporation organized and existing under the laws of the State of New Jersey and having a place of business at 620 Division Street, Elizabeth, New Jersey 07201 (referred to hereinafter as "Assignee"), is the present assign of H-Tech, Inc. and is desirous of further memorializing acquisition of Assignor's entire right, title and interest in and to said design, said CIP Application, the right to claim priority thereto and to any and all related applications in which the Assignor is an inventor, and any U.S. and/or foreign patent or design that may be granted thereon or therefrom.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, Assignor sells, assigns and sets over to said Assignee the entire right, title and interest in and for the United States of America and all other countries, in and to said design and the aforesaid CIP Application for patent, all original, divisional, continuation, continuation-in-part, non-provisional, reexamination, substitute or reissue applications and patents applied for or granted therefor in the United States of America and all other countries, and the Commissioner of Patents and Trademarks is hereby authorized and requested to issue all patents on said CIP Application and/or applications resulting therefrom to Hayward Industries, Inc, as Assignee of the entire interest therein; and the undersigned for him and his legal representatives, heirs and assigns does hereby agree and covenant, without further remuneration, to execute and deliver all non-provisional, divisional, continuation, continuation-in-part, reexamination, reissue and other applications for patent on said design and all assignments thereof to said Assignee or its assigns, to communicate to said Assignee or its legal representatives all facts known to the undersigned respecting said design, to testify in any interferences or other legal proceedings in which any of said applications or patents may become involved, to sign all lawful papers, make all rightful oaths and to do generally everything necessary to aid said Assignee, its successors, assigns and nominees in obtaining patent protection on said design in all countries, the expenses incident to said applications to be borne and paid by said Assignee.
