Exhibit B
Patent Assignment

WHEREAS, Haley Systems, Inc., a corporation organized under the laws of the Commonwealth of Pennsylvania (hereinafter "Assignor"), is the sole owner of the entire right, title and interest in and to the patents listed in Schedule A hereto (the "Patents");

WHEREAS, RuleBurst Limited (North America), a corporation organized under the laws of the State of Delaware (hereinafter "Assignee"), is desirous of acquiring the entire right, title and interest in, to, and under said Patents.

NOW, THEREFORE, for good and valuable consideration paid by Assignee, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby assign, sell, transfer and convey to Assignee, its successors and assigns, Assignor's entire right, title and interest in and to the Patents and the underlying inventions, including without limitation the right to maintain and prosecute the Patents and the right of priority to file and prosecute corresponding applications in any and all countries, the rights to any divisions, continuations, continuations-in-part, reissues, reexaminations, re-registrations, renewals and extensions with respect thereto, and any and all right of Assignor to sue for and recover damages for any past, present or future infringement thereof; the Patents to be held solely by Assignee, its successors or assigns.

The Assignor undertakes at the request and expense of the Assignee to do all acts and execute all documents which may be necessary to confirm the title of the Assignee to the Patents assigned, whether in connection with any registration of such title or otherwise in any jurisdiction worldwide.

In the event that Assignee is unable for any reason to secure Assignor's signature to any document that it is entitled to hereunder, Assignor hereby constitutes and appoints Assignee as Assignor's true and lawful attorney in fact, with full power of substitution in Assignor's name and stead, to take any and all steps, including proceedings at law, in equity or otherwise, to execute, acknowledge and deliver any and all instruments and assurances necessary or expedient in order to vest or perfect the aforesaid rights and causes of action more effectively in Assignee or to protect the same or to enforce any claim or right of any kind with respect thereto. Assignor hereby declares that the foregoing power is coupled with an interest and as such is irrevocable.

[SIGNATURE PAGE FOLLOWS]
