Assignment

AAT-18470

Whereas, new and useful improvements and inventions have been made by the undersigned in

MOBILE COMMUNICATION DEVICE PROVIDING INTEGRATED ACCESS TO
TELEPHONY AND INTERNET SERVICES

and are the subject of a patent application filed in the United States Patent and Trademark Office on October 13, 2008 as Application Serial No. 12/250,173.

Whereas, Hutchison Whampoa Three G IP (Bahamas) Limited, a corporation of the Bahamas, having a principal place of business at Offshore Group Chambers, P.O. Box CB-12751, Nassau, New Providence, Bahamas, hereinafter referred to as "assignee," is desirous of acquiring all right, title, and interest in the United States in, to, and under said improvements and inventions and patent rights therefor.

Now, Therefore, be it known that, for valuable consideration, the receipt and sufficiency of which are hereby acknowledged, all right, title, and interest in the United States, in, to, and under said improvements and inventions and all patents, patent applications, patent rights, and inventor's certificates thereof, therefor, and therein, including without limitation said application for patent in the United States, all divisions and continuations thereof, all patents which may be granted thereon, all reissues and extensions thereof, and all right to sue for past infringement thereunder, have been and are hereby sold, assigned, transferred, and delivered unto assignee, its successors and assigns; and it is covenanted and agreed by the undersigned, and for executors, administrators, and legal representatives of the undersigned, that at assignee's request any and all applications, affidavits, assignments, and other instruments will be made, executed, and delivered as may be necessary or desirable to secure for or vest in assignee, its successors, or assigns any improvement, inventions, right, title, interest, application, patent, patent right, or other right or property covered by this assignment, and the United States Commissioner of Patents and Trademarks is hereby requested and authorized to issue any and all United States patents granted on any of said applications to assignee as owner of the entire right, title, and interest in, to, and under the same.
