ASSIGNMENT

For good and valuable consideration, we, Donald K. TAYLOR, residing at 4314 Summerfield Drive, Piney Flats, TN 37686; Richard J. MACZKA, residing at 3006 W. Walnut St., Johnson City, TN 37604, and Carl H. RUSSELL, III, residing at Rt. 8, Box 277, Johnson City, TN 37601, all citizens of the United States of America,

Hereby sell, assign, and transfer to

SIEMENS INDUSTRIAL AUTOMATION, INC., a Delaware Corporation having offices at New York and COMAU S.p.A., a corporation of Italian nationality,

hereinafter "Assignees", its successors, assigns and legal representatives, as joint owners as fully and entirely as the same would have been held and enjoyed by us had no sales and assignments of said rights, titles and interests been made, the entire right, title and interest in and for the United States and all foreign countries, in and to any and all improvements which are disclosed in the application for United States Letters Patent,

Ser. No.: 07/828,335

Filed: January 30, 1992

and entitled: A SAMPLING BIPOLAR PEAK DETECTOR FOR SENSING A
NON-SYMMETRICAL DECAY OF AN AC VOLTAGE SIGNAL

and in and to said application and all divisional, continuing substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said improvements; and in and to all original and reissued patents which have been or shall be filed in the United States and all foreign countries on said improvements;

Agree that Assignees may apply for and receive Letters Patent for said improvements; and that, when requested, without charge to but at the expense of said Assignees, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said improvements; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignees, its successors, assigns, and legal representatives, all facts known to the undersigned relating to said improvements and the history thereof; and generally do everything possible which said Assignees, its successors, assigns, or legal representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and for vesting title to said improvements and all applications for patents and all patents on said improvements, in said Assignee, its successors, assigns, and legal representatives;

REEL 6074, FRAME 913

We do hereby authorize and request the Commissioner of Patents and Trademarks of the United States of America to issue any and all United States Patents which may be granted upon said United States application, or applications, or any of them, or upon said invention or any part thereof, to the Assignee corporations; and

Covenant with said Assignees, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned
