ASSIGNMENT OF UNITED STATES LETTERS PATENT

Attorney Reference

WHEREAS Qisda Corporation, hereinafter referred to as the assignor, is the current owner of record of United States patent applications and issued letters patents as described in Attachment A.

AND WHEREAS AU Optronics Corporation, hereinafter referred to collectively as the assignee, is desirous of acquiring the entire right, title, and interest in and to said patent applications and said issued letters patents, including any and all divisions and continuations thereof, and in and to said patent applications and any and all letters patents which may be granted therefor, including any and all renewals, reissues, and prolongations thereof;

NOW THIS WITNESSETH, that for and in consideration of One Dollar (\$1.00), and other good and valuable consideration paid by said assignee to said assignor, the receipt of which is hereby acknowledged, said assignor hereby assigns, sells, and transfers to said assignee, and said assignee's successors and assigns, entire of the interest of the following: the full and exclusive right, title, and interest in and to said patent applications and said issued letters patents, including any and all divisions and continuations thereof, and in and to said invention and any and all patents which may be granted therefor, including any and all renewals, reissues, and prolongations thereof; said assignee, and said assignee's successors and assigns, to have, hold, exercise, and enjoy said patent applications and said issued letters patents, including any and all divisions and continuations thereof, and the said patent applications and any and all letters patents which may be granted therefor, including any and all renewals, reissues, and prolongations thereof, with all the rights, powers, privileges, and advantages in anywise arising from or appertaining thereto, for and during the term or terms of any and all such letters patents when granted, including any and all renewals, reissues, and prolongations thereof, for the use and benefit of said assignee, and said assignee's successors and assigns, in as ample and beneficial a manner as the said assignor might or could have held and enjoyed the same, if this assignment had not been made.

AND said assignor hereby agrees to perform, upon the request of said assignee, or said assignee's successors or assigns, any and all acts relating to the obtaining or to the asserting of said patent applications and said letters patents, including any and all renewals, reissues, and prolongations thereof.

AND said assignor authorizes and requests the Commissioner of Patents and Trademarks to issue Letters Patents on said patent applications, and on any and all divisions and continuations thereof, to said assignee, and said assignee's successors and assigns, in accordance herewith.

EXECUTED, this 10th day of February, 2009.
