ASSIGNMENT

WHEREAS, we, Nathan L. Karstens of 11008 W 120th Terrace, Overland Park, in the County of Johnson, and State of Kansas; Brian K. Feller of 18982 W 160th Street, Olathe, in the County of Johnson, and State of Kansas, and Jon Josephson of 4816 NW 129th St., Vancouver Washington, have invented certain new and useful improvements in a

GRAPHICAL WIND GAUGE

for which we are about to make application for Letters Patent of the United States; and

WHEREAS, Garmin Ltd., a corporation duly organized under the laws of the Cayman Islands, and having its principal place of business at Garmin Ltd., PO Box 10670, 45 Market Street, Suite #3206B, Gardenia Court, Camana Bay, Grand Cayman KY1-1006, Cayman Islands, is desirous of acquiring an interest in, to and under said invention, said application and any and all Letters Patent which may be granted for or upon said invention in the United States of America and all countries foreign thereto;

Jon Josephson
99 2/24/09

NOW, THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, we, Nathan L. Karstens and Brian K. Feller, have sold, assigned and transferred, and by these presents do sell, assign and transfer unto said Garmin Ltd. the full and exclusive right, title and interest, throughout the world, in, to and under said invention as fully set forth and described in the specification prepared and executed by us on even date herewith preparatory to obtaining Letters Patent of the United States therefor; in, to and under said application; in, to and under any and all refilings, divisions and continuations of said application; in, to and under any and all Letters Patent of the United States of America which may issue from said application, refilings, divisions and continuations; in, to and under any and all reissues of said Letters Patent of the United States of

America; in, to and under any and all applications for Letters Patent upon said invention which may hereafter be filed in any and all countries foreign to the United States of America; in, to and under any and all refilings, divisions and continuations of said foreign-filed applications; in, to and under any and all Letters Patent of countries foreign to the United States of America, which may issue from the said foreign-filed applications, refilings, divisions and continuations; and in, to and under any and all extensions of, and additions to, said Letters Patent of countries foreign to the United States of America, the same to be held and enjoyed by said Garmin Ltd. for its own use and behoof, and for its successors, legal representatives and assigns, to the full end of the term for which said Letters Patent may be granted, and we do hereby authorize and request the Commissioner of Patents to issue the said Letters Patent in accordance with this assignment.
