PATENT CONFIRMATION DOCUMENT

The following inventor, Paul J. Jörn, hereby confirms that Airbus Deutschland GmbH, a German corporation having a place of business at Kreetzlag 10, 21129 Hamburg, Germany, ("Airbus") already owns and holds all of his/her patent rights in the inventions claimed in a United States Patent Application entitled, "Aircraft Fuselage Element" which claims priority to German Application No. DE 10 2007061253.4 filed December 19, 2007 ("the non-U.S. priority application"), and also to U.S. Provisional Application No. 61/014,842, filed December 19, 2007. The inventor also acknowledges that the non-U.S. priority application was filed with his/her knowledge and consent, and by his/her legal representatives or assigns, so as to entitle this U.S. patent application to the benefit of the priority claim to the non-U.S. priority application under 35 U.S.C. §119. This patent confirmation document applies to this U.S. application, and to any and all other U.S. continuing applications based thereon ("any related U.S. application"). To fully effectuate this confirmation, I agree to cooperate with Airbus, as deemed reasonably necessary by Airbus, to assist in prosecuting this U.S. application or any related U.S. application. Furthermore, providing such assistance shall not entitle any inventor to extra compensation, other than compensation which the inventor may already be entitled to under applicable law other than U.S. law.
