ASSIGNMENT

WHEREAS I have invented the invention corresponding to the below-identified title.

Title FLANGELESS CANISTER FOR IN-LINE INSPECTION TOOL

WHEREAS preferred embodiments of the invention are disclosed in a U.S. patent application corresponding to the above-identified docket number in the files of WARREN M. PATE, LLC (CUSTOMER NO. 83384) and filed in the U.S. Patent and Trademark Office as listed below. (If not listed below at execution of this Assignment, I hereby authorize the attorney(s) of WARREN M. PATE, LLC to insert the application serial number and filing date of the patent application corresponding to the invention when known.)

Application Number 12/366,606	Filing Date (MM-DD-YYYY) 02-05-2009
---	---

WHEREAS Assignee, identified below, desires to secure the entire right, title and interest in the invention.

Assignee Name Electromechanical Technologies, Inc.	Entity Type (Corporation, Individual, etc.) Corp.	State of Formation (If Applicable) Utah
Address of Assignee's Principal Place of Business 6202 Stratler Street Murray, UT 84107		

THEREFORE, in consideration of \$1.00 and other good and valuable consideration paid to me by Assignee, the receipt and sufficiency of which I hereby acknowledge, I HEREBY ASSIGN TO ASSIGNEE:

The entire right, title, and interest in the invention, in the above-identified United States patent application and in all divisions, continuations, and continuations-in-part thereof, all previously filed provisional applications for which the above-identified application seeks the benefit of an earlier filing date under 35 U.S.C. § 119, all reissues or extensions of Letters Patent or Patents granted on the above-identified application, and in all corresponding applications filed in countries foreign to the United States, and in all patents issuing thereon in the United States and foreign countries.

The right to file foreign patent applications on the invention in its own name, wherever such right may be legally exercised, including the right to claim the benefits of the International Convention for such applications.

I hereby authorize and request the United States Commissioner of Patents and Trademarks, and such Patent Office officials in foreign countries as are duly authorized by their patent laws to issue patents, to issue any and all patents on the invention to Assignee as the owner of the entire interest, for the sole use and benefit of Assignee, its successors, assigns, and legal representatives.

I hereby agree, without further consideration and without expense to me, to sign all lawful papers and to perform all other lawful acts which Assignee may request of me to make this Assignment fully effective, including, by way of example and not of limitation, the following:

Docket No.

3558-2-2

Prompt execution of all original, divisional, substitute, reissue, and other United States and foreign patent applications on the invention, and all lawful documents requested by the Assignee to further the prosecution of any of such patent applications.

Cooperation to the best of my ability in the execution of all lawful documents, the production of evidence, nullification, reissue, extension, or infringement proceedings involving the invention.

This assignment and agreement shall be binding upon my heirs and legal representatives.
