ASSIGNMENT

For valuable consideration, we, Marc S. Landry, of 5 Palomino Trail  
Vernon, NJ 07462, United States of America; hereby assign to ACRISON, INC., a  
corporation of New Jersey, having a place of business at 20 Empire Boulevard, Moonachie, New  
Jersey 07074, United States of America, and its successors and assigns (collectively hereinafter  
called "the Assignee"), the entire right, title and interest throughout the world in the inventions  
and improvements which are subject of an application for United States Patent signed by us,  
entitled CINCH VALVE, filed on 11/25/ 2008, and assigned U.S. Serial Number  
12/277,629, and we authorize and request the attorneys appointed in said application to  
hereafter complete this assignment by inserting above the filing date and serial number of said  
application when known; this assignment including said application, any and all United States  
and foreign patents, utility models, and design registrations granted for any of said inventions or  
improvements, and the right to claim priority based on the filing date of said application under  
the International Convention for the Protection of Industrial Property, the Patent Cooperation  
Treaty, the European Patent Convention, and all other treaties of like purposes; and we authorize  
the Assignee to apply in all countries in our name or in its own name for patents, utility models,  
design registrations and like rights of exclusion and for inventors' certificates for said inventions  
and improvements; and we agree for ourselves and our respective heirs, legal representatives and  
assigns, without further compensation to perform such lawful acts and to sign such further  
applications, assignments, Preliminary Statements and other lawful documents as the Assignee  
may reasonably request to effectuate fully this assignment.
