---

WHEREAS, we,

1. **Kevin W. Lang, a citizen of the United States, residing at 14 Tulip Drive, Lloyd Neck, NY 11743; and**
2. **James W. Dibble, a citizen of the United States, residing at 205 Michigan Avenue, Port Jefferson, NY 11777**

are the inventors of the invention described in

**DRY MIXES COMPRISING GLYCERINE**

for which we have executed an application for a Patent of the United States

- which was filed herewith
- which was filed on **February 25, 2009** as U.S. Application No. **12/392,973**

WHEREAS, **Delavau LLC**, a Delaware corporation having an office for the transaction of business at **10101 Roosevelt Boulevard, Philadelphia, PA, 19154**, ASSIGNEE, is desirous of obtaining our entire right, title and interest in, to and under the said invention and the said application:

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we, the said ASSIGNORS, have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto the said ASSIGNEE, its successors, legal representatives and assigns, our entire right, title and interest in, to and under the said invention, and the said United States application and all divisions, renewals and continuations thereof, and all Patents of the United States which may be granted thereon and all reissues and extensions thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may hereafter be filed for said invention in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from said United States application under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models, inventors' certificates and designs which may be granted for said invention in any country or countries foreign to the United States and all extensions, renewals and reissues thereof;

AND WE HEREBY authorize and request the Commissioner of Patents and Trademarks of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of the instrument.
