WHEREAS, I, David T. Markus (resident of Salt Lake City, UT, whose postal mailing address is 1799 South Wasatch Drive, Salt Lake City, UT 84108), and (hereinafter "Assignor") have invented a certain new and useful improvement in a ULTRA-HIGH DENSITY CONNECTOR for which an application for United States Letters Patent was filed on February 19, 2008 as THORPE NORTH & WESTERN, LLP Docket No. 2865-25084.NP.CON, and given U.S. Patent Application Serial No.12/070,580; and

WHEREAS, Raytheon Sarcos, LLC, a limited liability company, organized and existing under the laws of the State of Delaware, having a business address of 870 Winter Street, Waltham, MA 02451, (hereinafter "Assignee"), is desirous of acquiring the entire right, title, and interest in the same;

NOW, THEREFORE, in consideration of one dollar (\$1.00) and other good and valuable consideration paid to me by the Assignee, the receipt and sufficiency whereof is hereby acknowledged, I the said Assignor, hereby grant and assign unto the said Assignee, my entire right, title and interest in said invention and in all patent applications based thereon, including but not limited to the above identified United States Patent Application and in all divisions, continuations, and continuations-in-part of said application, or reissues or extensions of Letters Patent or Patents granted thereon, and in all corresponding applications filed in countries foreign to the United States, and in all patents issuing thereon in the United States and foreign countries; the right, power and authority to file and prosecute U.S. and foreign patent applications on said invention, and to do so in its own name wherever such right may be legally exercised, and including the right to claim the priority and benefits of the International Convention for such applications; and the right to bring actions for infringement of any right in said invention in its own name, including past infringement, in any jurisdiction.

I hereby authorize and request the United States Commissioner of Patents and
