## ASSIGNMENT

WHEREAS, I, James Morrison, of 800 Majestic Ridge; Henderson, NV 89052, have invented certain new and useful improvements in

### MOBILE ALERTING NETWORK,

for which I am about to make application for Letters Patent of the United States; and

WHEREAS, Mobile Traffic Network, Inc., a corporation duly organized under the laws of the State of Nevada, and having its principal place of business at 252 School Street; Howard, PA 16841, is desirous of acquiring an interest in, to, and under said invention, said Application and any and all Letters Patent which may be granted for or upon said invention in the United States of America and all countries foreign thereto.

NOW, THEREFORE, to all whom it may concern be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, James Morrison, have sold, assigned, and transferred, and by these presents do sell, assign, and transfer unto said Mobile Traffic Network, Inc., the full and exclusive right, title, and interest, throughout the world, in, to, and under the following:

(a) said invention as fully set forth and described in the specification prepared, and executed by me on even date herewith preparatory to obtaining Letters Patent of the United States therefor and identified under attorney Docket No. 38912-CIP2-CNT1;

(b) said Application;

(c) any and all refilings, divisions, and continuations of said Application;

(d) any and all Letters Patent of the United States of America that may issue from said Application, refilings, divisions, and continuations;

(e) any and all reissues of said Letters Patent of the United States of America;

(f) any and all applications for Letters Patent on said invention that may hereafter be filed in any and all countries foreign to the United States of America, together with all rights to file and to claim priority in connection with said foreign-filed applications;

(g) any and all refilings, divisions, and continuations of said foreign-filed applications;

(h) any and all Letters Patent of countries foreign to the United States of America that may issue from said foreign-filed applications, refilings, divisions, and continuations; and

(i) any and all extension of, and additions to, said Letters Patent of countries foreign to the United States of America.
