## PATENT ASSIGNMENT

This Patent Assignment effective as of November 9, 2006, is made by FF ACQUISITION CORP., a Delaware corporation, a Delaware Corporation, 100 Tubb Avenue, P.O. Box 1296, West Point, MS 39773 ("Assignor"), for the benefit of NAUTILUS, INC, a Washington Corporation, 16400 SE Nautilus Way, Vancouver, Washington 98683 ("Assignee");

WHEREAS, Assignor owns rights to certain new and useful Inventions and owns by assignment certain Letters Patent of the United States and foreign and regional applications corresponding or relating thereto, in the form more fully described in the attached **Exhibits A and B** (collectively, the "Patent Rights"), which Exhibits A and B are incorporated herein by reference;

WHEREAS, Assignor now owns the entire right, title and interest in the Patent Rights;

WHEREAS, Assignor and Assignee have executed that certain Asset Purchase Agreement, effective as of November 9, 2006 (the "Asset Purchase Agreement"); and

WHEREAS, pursuant to the terms of the Asset Purchase Agreement, Assignor desires to assign to Assignee, and Assignee desires to acquire from Assignor, the entire interest in and to the Patent Rights, together with any of the following, filed subsequent to the effective date of the Asset Purchase Agreement: foreign and regional applications corresponding or relating thereto, all priority rights and claims corresponding thereto, and convention rights, and the Letters Patent of the United States and countries and regions foreign thereto which may grant or have granted thereto or be lodged in relation thereto, any reissue or reexamination thereof or to be obtained therefor, any renewals, or substitutes thereof, and any and all priority rights or priority claims, International Convention rights, any and all rights to collect past damages for infringement of any and all Letters Patent of the United States and countries and regions foreign thereto which may be published, which may grant, or have granted thereto or be lodged in relation thereto, and other benefits accruing to or to accrue to Assignor with respect to the filing of applications for patents or securing of patents in the United States and countries foreign thereto (the "Collective Rights").

NOW THEREFORE, for the consideration set forth in the Asset Purchase Agreement, and other good and valuable consideration to Assignor, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, transfers, assigns and sets over unto Assignee, its successors and assigns, the entire right, title and interest in and to the Collective Rights.

UPON SAID CONSIDERATION, Assignor hereby agrees, without further or additional consideration, but at the expense of Assignee, to execute and deliver at the request of Assignee all papers, instruments, and assignments, and to perform any other reasonable acts Assignee may request in order to vest all of Assignor's right, title and interest in and to the Collective Rights in Assignee, and render all necessary assistance in making application for and obtaining original, continuation-in-part, renewal, reissued, reexamined or extended Letters Patent of the United States, or of any and all foreign countries, on said Collective Rights, and execute confirmatory assignments or acknowledgments of this assignment as necessary for full enjoyment of the Collective Rights and for recording in foreign patent offices, and/or to provide evidence to support any of the foregoing in the event such evidence is deemed necessary by Assignee, to the extent such evidence is in the possession or control of Assignor. It is

 **COPY**

understood that the foregoing covenant and agreement shall bind and inure to the benefit of the assigns and legal representatives of both parties.

UPON SAID CONSIDERATION, Assignor represents and warrants that Assignor has the right, title, and authority to execute this Assignment and to convey any and all right, title, and interest in the Collective Rights, and that Assignor has not conveyed nor will convey hereafter all or part of the Collective Rights to a third party.

IN WITNESS WHEREOF, the Assignor hereunto has executed this Assignment upon the date indicated below.
