If, and to the extent that Employee may, under applicable law, be entitled to claim any ownership interest in Work Product owned by the Company, Employee transfers, grants, conveys, and relinquishes exclusively to the Company all of his right, title and interest under patent, copyright, trade secret, and trademark law, in perpetuity or for the longest period otherwise permitted by law. Employee will sign upon request all documents necessary to vest title in the Company to any specific patent, trademark and/or copyright application prepared by the Company and covering such Work Product. Employee will also sign upon request, any document necessary for the filing and prosecution of patent, trademark and/or copyright applications in the United States and elsewhere, including divisional, continuation, revival, renewal or reissue application. Employee will cooperate and assist the Company in preparing, filing and prosecuting any and all such patent, trademark and copyright applications during the term of this Agreement and for three years following its termination. The Company will bear all costs associated with the prosecution of such patent, trademark and/or copyright applications.

(c) License. To the extent that any preexisting rights are embodied or reflected in Work Product owned by the Company, Employee grants to the Company an irrevocable, perpetual, non-exclusive, world-wide, royalty-free right and license to: (1) use, execute, reproduce, display, perform, distribute copies of and prepare derivative works based upon such preexisting rights; and (2) authorize others on the Company's behalf to do any or all of the foregoing.
