## ASSIGNMENT OF PATENT APPLICATION

I, KENNETH BURROWS, an individual resident of Gilbert, Arizona, have invented certain new and useful improvements disclosed in an application for United States Letters Patent titled Hybrid Electroluminescent Assembly, and further identified by serial number 12/402108 and filing date 3-12-2009.

ORYON TECHNOLOGIES, LLC, a Texas corporation ("Assignee"), whose address is 16901 N. Dallas Parkway, Suite 102, Dallas, Texas 75001, wants to acquire my entire right, title and interest in and to the improvements and application.

For a good and valuable consideration, the receipt of which is hereby acknowledged, I hereby sell, assign, and transfer to Assignee my entire right, title and interest in and to the improvements and the application and all divisions, substitutions, continuations and continuations-in-part thereof, and all United States Letters Patents which may be granted thereon and all reissues and extensions thereof, and all priority rights under the International Convention for the Protection of Industrial Property and the Patent Cooperation Treaty for every member country; and all applications for patents (including related rights such as utility-model registrations, inventor's certificates, and the like) heretofore or hereafter filed for the improvements in any foreign countries or regional patent offices, and all patents (including all extensions, renewals and reissues thereof) granted for the improvements in any foreign countries; and I hereby authorize and request the United States Director of Patents and Trademarks, and any officials of foreign countries whose duty it is to issue patents on applications as stated, to issue all patents for the improvements to Assignee in accordance with the terms of this assignment.

I covenant that I have full right to convey the entire interest assigned, and that I have not executed, and will not execute, any agreement in conflict with this assignment.

I further covenant and agree that I will communicate to Assignee any facts known to me respecting the improvements, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, continuation-in-part, substitute and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee to obtain and enforce proper patent protection for the improvements in all countries.

I hereby authorize counsel for Assignee to enter above the filing date and serial number of the application when the date and serial number become available.

SIGNED this the 10<sup>th</sup> day of MARCH, 2009.
